Preamble.

WHEREAS Estates in these Plantations do consist chiefly of Lands which have been subdued and brought to Improvement, by the Industry and Labour of the Proprietors, with the Assistance of their Children, the younger Children generally having been longest and most serviceable unto their Parents in that Behalf: who have not Personal Estate to give out unto them in Portions, or otherwise to Recompence their Labour :

Administration of Intestate Estates.

Be it therefore enacted and ordained by the Governour, Council and Representatives convened in General Court or Assembly, and it is ordained by the Authority of the same, That every Person lawfully seized of any Lands, Tenements, or Hereditaments within this Province, in his own proper Right in Fee Simple, shall have Power to give, dispose, and devise, as well by his last Will and Testament in Writing, as otherwise by any Act executed in his Life, all such Lands, Tenements and Hereditaments to and among his Children or others, as he shall think fit at his Pleasure: And if no such Disposition, Gift or Devise be made by the Owner of any such Lands, Tenements and Hereditaments; the same shall be subject to a Division, with his Personal Estate, and be a like distributed, according to the Rules herein after expressed for intestate Estates. And when and so often as it shall happen, That any Person dies Intestate, Administration of such Intestates Goods and Estate shall be granted unto the Widow or next of Kin to the Intestate, or both, as the Judge for Probate of Wills, and granting of Administrations shall think fit, who shall thereupon take Bond with Sureties in manner as is directed by the Statute of the twenty second and twenty third of Charles the Second; and shall and may proceed to call such Administrators to Account for, and touching the Goods of the Intestate: And upon due Hearing and Consideration thereof, (Debts, Funeral and just Expences of all Sorts being first allowed) the said Judge shall, and hereby is fully empowered to order and make a just Distribution of the Surplusage, or remaining Goods and Estate, as well Real as Personal, in Manner following: *That is to say*, One third Part of the Personal Estate to the Wife of the Intestate for ever, besides her Dower or Thirds in the Houses and Lands during Life, where such Wife shall not be otherwise endowed before Marriage; and all the Residue of the Real and Personal Estate by equal Portions to and among his Children, and such as shall legally represent them; (if any of them be dead) other than such Children, who shall have any Estate by Settlement of the Intestate in his Life-time equal to the others Shares. The Division of the Houses and Lands to be made by five sufficient Freeholders upon Oath, or any three of them, to be appointed and sworn by the Judge for that End: Unless where all the Parties interested in any Estate being legally capable to act, shall mutually agree of a Division among themselves, and present the same in Writing under their Hands and Seals: In which Case, such Agreement shall be accepted and allowed for a Settlement of such Estate, and be accounted valid in Law, being acknowledged by the Parties subscribing before the Judge, and put upon Record.

Provided nevertheless, That where any Estate in Houses and Lands cannot be divided among all the Children, without great Prejudice to, or spoiling of the whole; being so represented, and made to appear unto the said Judge, the Judge may order the whole unto the eldest Son, if he accept it, or to any other of the Sons successively, upon his refusal: He paying unto the other Children of the Deceased, their equal and proportionable Parts or Shares of the true Value of such Houses and Lands; upon a just Appraisement thereof, to be made by three sufficient Freeholders upon Oath, to be appointed and sworn as aforesaid, or giving good Security to pay the same in some convenient Time, as the said Judge shall limit, making reasonable Allowance in the Interim, not exceeding *six per Cent per Annum*. And if any of the Children happen to die, before he or she come of Age, or be married; the Portion of such Child deceased, shall be equally divided among the Survivors.

An Act providing for Posthumus Children.

FORASMUCH as it often happens, that Children are not born till after the Death of their Fathers ; and also have no Provision made for them in their Wills :

Preamble.

Be it therefore enacted by His Excellency the Governour, Council and Representatives, in General Court assembled, and by the Authority of the same. That as often as any Child shall happen to be born after the Death of the Father, without having any Provision made in his Will, every such Posthumus Child shall have Right and Interest in the Estate of his or her Father, in like Manner as if he had died Intestate ; and the same shall accordingly be assigned and set out as the Law directs for the Distribution of the Estates of Intestates.

Posthumus Children to have a Proportion, &c.

See Resolve at the End of this Act.

And whereas through the Anguish of the deceased Testator ; or through his sollicitous Intention though in Health ; or through the Oversight of the Scribe, some of the Testator's Children are omitted, and not mentioned in the Will ; many Children also being born after the making of the Will, though in the Life-time of their Parents :

Be it therefore enacted by the Authority aforesaid, That any Child or Children, not having a Legacy given them in the Will of their Father or Mother ; every such Child shall have a Proportion of the Estate of their Parents given and set out unto them as the Law directs for the Distribution of the Estates of Intestates.

And such as have no Legacy given them.

Provided Such Child or Children have not had an equal Proportion of his Estate bestowed on them by the Father in his Life time.

And whereas it sometimes happens, that a Man having formerly made his Will, doth afterwards marry a Wife, and then dies ; and the Will comes to be proved, to the Injury of such Wife :

In all such Cases the Widow shall have such Proportion of her late Husband's Estate assigned her, as if he had died Intestate ; as the Law directs for the Distribution of the Estates of Intestates : Any Law, Usage or Custom to the contrary notwithstanding.

Widows not to be prejudiced, by Wills made before Marriage.

Provided, That nothing in this Law shall extend to any Estate disposed of by Will, already settled.

[At a Great and General Court begun and held at Boston on the 28th Day of May 1718. A Question being moved upon the second Section or Paragraph in the Act providing for Posthumus Children, and such as have no Legacy given them by Will ; made in the Twelfth Year of King WILLIAM, viz. [Whether the said Act doth as well extend to the Grand-Children, in Case of the Death of the Father or Mother, as to the Child himself, if living ?]

Resolved in the Affirmative, and that the Law is so to be understood and practiced : Any Usage or Custom to the contrary notwithstanding.]

Prosecution of Appeals.

C H A P. V.

An Act relating to the Prosecution of Appeals.

*11 W. ca. 1.
13 W. ca. 15.* **W**HEREAS it has been too often practised, that Persons having Judgment entred up against them in the Inferiour Court of Common Pleas, do Claim the Liberty of the Law to Appeal from such Judgment unto the next Superiour Court of Judicature, Court of Assize and General Goal Delivery, to be holden for or within the same County; and after their Appeal admitted, neglect to give Security for Prosecution thereof as the Law requires; or after Security given, fail of Prosecuting their Appeal: whereby it is very obvious they designed nothing more than to stop Execution, and to delay and hold out the adverse Party from his just Debt or Damages recovered by such Judgment, to his grievous Hurt:

For Redress whereof:

Security for Appeal to be given in or out of Court within seven Days after Judgment. **Be** it declared and enacted by the Lieutenant Governour, Council and Representatives, in General Court assembled, and by the Authority of the same, That every Person appealing from the Judgment of any Inferiour Court of Common Pleas, unto the Superiour Court of Judicature, Court of Assize and General Goal Delivery, shall enter into Recognizance with sufficient Sureties to prosecute such Appeal with Effect; which Recognizance is to be taken before such Inferiour Court whilst sitting; or before one or more of the Justices of the same, with the Clerk out of Court, within the space of seven Days next after Judgment given, and not afterwards. And if any Person claiming and being admitted to Appeal as aforesaid, shall not give Security for Prosecution thereof in Manner aforesaid, either before or within the said space of seven Days next after Judgment given; every Claim and Allowance of such Appeal shall be utterly null and void, as if the same had never been made and granted; And in such Case after Expiration of the said seven Days, the Clerk of such Inferiour Court, upon Demand of the Party for whom the Judgment was given, or of his Attorney, shall *ex Officio* make and issue out Execution thereupon.

On failure Execution to be granted. **And** be it further enacted by the Authority aforesaid, That if any Person having appealed and given Security for Prosecution thereof as aforesaid, shall neglect to prosecute the same with Effect in Manner as the Law provides, the Party that obtained the Judgment in the Inferiour Court of Common Pleas, entering his Complaint in the Superiour Court of Judicature, Court of Assize and General Goal Delivery, to which such Appeal did lie, and producing attested Copies of the Judgment, Appeal and Recognizance given for Prosecution thereof, the Justices of the said Superiour Court of Judicature, Court of Assize and General Goal Delivery, shall affirm such Judgment of the Inferiour Court of Common Pleas, with the Costs arising upon the Suit there; and grant further Costs for entering and prosecuting the Complaint as aforesaid, and award Execution accordingly. The Fee to be paid for entering of such Complaint, shall be the same as for entry of an Action; and the Parties Attendance and Charges the same as the Law allows in like Cases.

Judgment to be affirmed, and Execution awarded by the Superiour Court upon Non-Prosecution of Appeal. **And** the like Process and Methods shall be had and observed in the Inferiour Court of Common Pleas, for Persons that shall fail to prosecute Appeals made from Judgment given upon Trials before a Justice of the Peace: Any Law Usage or Custom to the contrary in any wise notwithstanding.

Inferiour Courts to observe the like Methods. **And** be it further enacted by the Authority aforesaid, That all Recognizances given for prosecuting of Appeals as aforesaid, shall remain good for the Benefit of the Parties respectively for whom they were taken, to bring a Suit thereon, to recover all intervening Damages occasioned by such Parties being delayed from the Time of rendering the first Judgment unto the Time when such Appeal should have been tried: And the Sureties in such Recognizance named, shall be liable and obliged to satisfy the Judgment given for such intervening Damages, with the additional Costs of Suit, in Case of the Principals Avoidance

Sureties upon Appeals to answer intervening Damages and Cost, in Case.

Avoidance and Return made of *Non est Inventus*, upon the Execution granted against him : And the Judgment for the same shall be affirmed against such Sureties, and Execution be awarded accordingly ; as is by Law provided referring to Sureties upon mean Proses.

Provided, That such Sureties be served with a Writ of *Scire Facias* within twelve Months next after rendring of Judgment upon the Trial on such Recognizance ; and not afterwards.

C H A P. II.

An Act for Ascertaining the Rates of Foreign Coins in Her Majesty's Plantations in *America*.

WHEREAS for Remediing the Inconveniencies which had arisen from the different Rates at which the same Species of Foreign Silver Coins did pass in Her Majesty's several Colonies and Plantations in *America*, Her Most Excellent Majesty has thought fit by Her Royal Proclamation, bearing Date the Eighteenth Day of June, One Thousand Seven Hundred and Four, and in the Third Year of Her Reign, to Settle and Ascertain the Currency of Foreign Coins in Her said Colonies and Plantations, in the Manner and Words following :

Preamble.

WE having had under Our Consideration the different Rates at which the same Species of Foreign Coins do pass in Our several Colonies and Plantations in *America*, and the Inconveniencies thereof, by the indirect Practice of Drawing the Money from one Plantation to another ; to the great Prejudice of the Trade of Our Subjects : And being Sensible, That the same cannot be otherwise Remedied, than by Reducing of all Foreign Coins to the same Current Rate within all Our Dominions in *America* ; And the principal Officers of Our Mint having laid before Us a Table of the Value of the several Foreign Coins which usually pass in Payments in Our said Plantations, according to their Weight ; and the Assays made of them in Our Mint, thereby shewing the just Proportion which each Coin ought to have to the other ; which is as followeth,

loweth,

Rates of Foreign Coins Ascertained.

loweth; viz. *Sevill* Peices of Eight, Old Plate, Seventeen Penny-weight Twelve Grains, *Four Shillings and Six-pence*; *Sevill* Peices of Eight, New Plate, Fourteen Penny-weight, *Three Shillings Seven-pence One farthing*; *Mexico* Peices of Eight, Seventeen Penny-weight Twelve Grains, *Four Shillings and Six-pence*; *Pillar* Peices of Eight, Seventeen Penny-weight Twelve Grains, *Four Shillings and Six-pence Three farthings*; *Peru* Pieces of Eight, Old Plate, Seventeen Penny-weight Twelve Grains, *Four Shillings and Five-pence*, or thereabouts; *Cross* Dollars, Eighteen Penny-weight, *Four Shillings and Four-pence Three farthings*; *Ducatoons of Flanders*, Twenty Penny-weight and Twenty-one Grains, *Five Shillings and Six-pence*; *Ecu's of France*, or *Silver Lewis*, Seventeen Penny-weight Twelve Grains, *Four Shillings and Six-pence*; *Crusadoes of Portugal*, Eleven Penny-weight Four Grains, *Two Shillings and Ten-pence One farthing*; *Three Gilder Pieces of Holland*, Twenty Penny-weight and Seven Grains, *Five Shillings and Two-pence One farthing*; *Old Rix Dollars of the Empire*, Eighteen Penny-weight and Ten Grains, *Four Shillings and Six-pence*: The Halfs, Quarters and other Parts in Proportion to their Denominations, and Light Peices in Proportion to their Weight: We have therefore thought fit for Remedying the said Inconveniencies, by the Advice of Our Council, to Publish and Declare, That from and after the First Day of *January* next ensuing the Date hereof, No *Sevill*, *Pillar*, or *Mexico* Peices of Eight, though of the full Weight of Seventeen Penny-weight and an half, shall be Accounted, Received, Taken or Paid within any of our said Colonies or Plantations, as well those under Proprietors and Charters, as under Our immediate Commission and Government, at above the Rate of *Six Shillings per Piece* Current Money, for the Discharge of any Contracts or Bargains to be made after the said First Day of *January* next, the Halfs, Quarters, and other lesser Pieces of the same Coins to be Accounted, Received, Taken, or Paid in the same Proportion: And the Currency of all Pieces of Eight of *Peru*, Dollars, and other Foreign Species of Silver Coins, whether of the same or Baser Alloy, shall after the said First Day of *January* next, stand Regulated, according to their Weight and Fineness according and in Proportion to the Rate before Limited and Set for the Pieces of Eight of *Sevill*, *Pillar* and *Mexico*; So that no Foreign Silver Coin of any Sort be permitted to exceed the same Proportion upon any account whatsoever. And We do hereby Require and Command all Our Governours, Lieutenant-Governours, Magistrates, Officers, and all other Our good Subjects within Our said Colonies and Plantations, to Observe and Obey Our Directions herein, as they Tender Our Displeasure.

And whereas notwithstanding the said Proclamation, the same indirect Practices as are therein mentioned, are still Carried on within some of the said Colonies or Plantations, and the Money thereby drawn from one Plantation to another, in Prejudice of the Trade of Her Majesty's Subjects: Wherefore for the better Insforcing the due Execution of Her Majesty's said Proclamation throughout all the said Colonies and Plantations; and for the more effectual Remedying the said Inconveniencies thereby intended to be Remedied:

Acts and Laws,

Passed by the Great and General Court or Assembly of His Majesty's Province of the Massachusetts-Bay in New-England, Begun and Held at Boston, upon Wednesday the thirtieth of May, 1716.

C H A P. VII.

An Act relating to the great Bridge in Billerica.

WHEREAS the Agents for the Towns of Billerica and Chelmsford, by Direction of the said Towns in their Petition to this Court at their present Session, have shewed forth, that there is a Great Bridge erected over Concord-River, in the Township of Billerica, and that the said Bridge was built by the Towns of Billerica, Chelmsford and Groton; and according to a former Settlement made by a Committee appointed for the Settlement of the Charge of the Bridges in the County of Middlesex. But the Town of Groton, upon Application to this Court in 1699, did obtain a Discharge from either building or repairing for the future, without further Order from this Court. And further it was alledged in the said Petition, that the said Bridge is fallen into such Decay, that it is no Ways profitable to Repair, or safe to Improve any longer as it now is, but that the same must of Necessity be new-built; and that it is apprehended the Charge will be so great that the Burthen will be too heavy for Billerica and Chelmsford to bear, for the Reasons therein given, which more properly ought to come under Consideration of the Justices of the Court of General Session of the Peace in the County of Middlesex:

Preamble.

Be it therefore declared and enacted by the honourable the Lieutenant Governour, Council and Representatives, in General Court assembled, and by the Authority of the same, That the Matters contained in the said Petition be referred to the Consideration of the Justices of the Court of General Sessions of the Peace for the said County of Middlesex, at their Quarter Sessions; who are hereby fully authorized and impowred to take such Order about the said Bridge from Time to Time, and at all Times hereafter, as shall be judged meet and convenient, and to settle the Charge of the same, upon any, or every the Towns of the said County. Preamble.

WHEREAS in and by an Act made and pass'd in the thirteenth Year of the Reign of the late Queen Anne, Intituled, An Act to prevent causeless Arrests, &c. It is enacted, " That every Person, Prin-

“ ment against another, before he receive it out of the Clerk's Office, shall en-

“ by the Arrest, and Charge of Imprisonment (if any be) to be taxed in com-

“ ministrator or Attorney that endorsed or took out such Writ; if the Principal
“ be without the Province, or be unable to pay the same.

And whereas it hath so happened when any Company or Number of Persons are joined together in one Suit, there is but one only, or not a Majority of the Plaintiffs that hath endorsed the Writ; and thereupon such Writ hath abated, because all the Plaintiffs therein named have not endorsed the same, nor their Attorney in their Names and Behalf, which by Experience hath been found to be very prejudicial, especially with Respect to the Commissioners and Trustees of the publick Loan Money, who seldom live together in the same Town, but oftentimes very remote; so that it is exceeding difficult to get a Writ endorsed by all the Plaintiffs, especially when it so happens they are straitned in Time; by Means whereof there hath been a Failure of Justice, as well as Loss and Damage not only to the Publick, but to particular Persons, occasioned by the Abatement of their Writs, when the Design of the Law was only to secure the Costs in Case of Non-Profecution, Discontinuance, &c. as aforesaid:

For

Execution of Justice.

For Redress whereof :

Be it enacted by the Lieutenant Governour, Council and Representatives, in General Court assembled, and by the Authority of the same, That from and after the Publication of this Act, when any Writ or Attachment shall be taken out at the Suit of more than one Person, the Endorsement of one of the Plaintiffs (or his Attorney) shall be sufficient in the Law, as well to oblige the Defendant to Answer, as the Endorser to pay the Cost and Charges arising on such Suit, in Case Judgment be for the Defendant or Defendants : Any Law, Usage or Custom to the contrary notwithstanding.

One Person endorsing a Writ, &c. sufficient, in Case.

C H A P. II.

An Act for preventing of Injuries and unnecessary Delays to the Parties who shall hereafter be concerned in Suits at Law ; and for the better and more speedy Execution of Justice.

WHEREAS heretofore Objections have been made by Parties against whom Judgment has been given in the Superiour and Inferiour Courts respectively, to several of the Articles charged in their Bills of Cost, for the Attendance and Travel of Witnesses and otherwise ; which Bills have been frequently allowed long after the Court's rising ; and when the adverse Parties have not been present to make their just and reasonable Objections to such Articles :

Preamble.

For Prevention whereof for the future :

Be it enacted by the Lieutenant Governour, Council and Representatives in General Court assembled, and by the Authority of the same, That when and so often as any Persons shall obtain Judgment in their Favour at the Inferiour Courts of Common Pleas or Superiour Courts of Judicature, they or their Attorneys respectively shall immediately after the recovery of such Judgment draw up their Bills of Cost, and when they are examined by the Clerks of the said Courts respectively, present them to be taxed by one or more of the Justices of the said Courts, and the adverse Parties, or their Attorneys, attending the Courts, to be notified when the Bill is to be taxed, that so they may make their Objections (if any they have) to any of the Articles charged in such Bills, before the same be allowed. And no Bill of Cost shall be allowed after the Court is adjourned without Day, unless sufficient Reason be given for such Delay to the Satisfaction of one or more of the Justices of the Court who shall be desired to tax such Bill of Cost.

Bills of Costs to be tax'd immediately after Judgment given.

Adverse Party to be notified of it.

Exception.

And whereas it often happens that a great Number of the Judgments entred up at the Inferiour Courts within this Province, are appealed from by the Defendants who fail to prosecute their Appeals to Effect at the Superiour Court appealed to ; and thereupon the Plaintiffs or their Attornies enter their Complaints against the Appellants or Defendants at the said Superiour Courts, but commonly neglect to draw up and file their Complaints, in order to have the Judgments of the Inferiour Court appealed from affirmed, until the last Day of the Sitting of the said Superiour Courts ; by which Method the Complainants (or their Attornies) have the Profit of many Days Attendance, for which they are allowed in their Bills of Cost, and thereby throwing an unreasonable Charge upon the Defendants :

Preamble.

Be it therefore enacted by the Authority aforesaid, That in taxing Bills of Cost after Judgment given upon a Complaint at the Superiour Court, the Complainant shall be allowed-but so many Days Attendance as the said Court shall judge reasonable.

Court to allow of the Attendance charged in the Bill.

And

No Person to receive Charges of the Suits, till the Bill is taxed.

And to the intent, that no Injustice may be done by an Overcharge to the Party against whom Judgment shall be given, no Person obtaining Judgment shall receive any Thing for Charges of his Suit till such Time as the Bill of Cost be first taxed by one [of the Justices of the Court who was present, when the Judgment was given : Any Law, Usage or Custom to the contrary notwithstanding.

An Act in Addition to the Act Intituled, *An Act for Review in Civil Causes.*

13 W. ca. 16:

WHEREAS in and by an Act of this Province, Intituled, An Act for Review in Civil Causes, made and passed in the thirteenth Year of the Reign of his late Majesty King William the third, It is enacted, " That it shall be in the Liberty of the Party aggrieved, at the Judgment given in any Inferiour Court of Common Pleas, or in the Superiour Court of Judicature respectively, by new Process to Review the said Cause, once in each Court ; " And it is also thereby further Enacted, " That Execution shall not be stay'd or suspended for, or by Reason of any Process of Review " : Which Law by Experience hath been found to be in general Good and Wholsome : But by Reason of the last mentioned Clause of the Act, it hath frequently happened in Cases where the Plaintiff in the original Action hath obtained Judgment against the Defendant, upon the Appeal at the Superiour Court of Judicature, whereupon Execution hath immediately issued, and the original Defendant, either by Means of the said Plaintiff's living out of the Province, or of his Insolvency, or of his suing as Executor or Administrator, hath been defeated of duly serving his Writ of Review, or finally lost or been put to great Difficulty to recover back the Money levied by Execution, altho' he prosecuted his Writ of Review at the next Superiour Court of Judicature, and Judgment there rendred for reversing the former Judgment, with Costs ; which is such an Hardship upon the original Defendant that he loses the good Effects intended by the said Law :

Preamble:

For Remedy whereof for the future ;

Be it enacted by his Excellency the Governour, Council and Representatives in General Court assembled, and by the Authority of the same, That when the original Plaintiff in any personal Action now depending, or hereafter to be commenced upon the Trial of the Appeal at the Superiour Court, shall obtain Judgment against the original Defendant for any Sum or Sums of Money or other Things sued for and Costs ; in all such Cases such Defendant entring into Bonds at the Time of making up the said Judgment, with sufficient Security to be approved of by the said Court, with Condition to prosecute a Writ of Review of the said Action with Effect, at the next Superiour Court of Judicature to be holden within and for the same County, and to answer and pay to the original Plaintiff for the Debt recovered after the Rate of twelve Pounds per Cent. per Annum, being double Interest, from the Time of making up said Judgment, for his being delayed, and double additional Costs, in Case the Judgment be affirmed, Execution shall be stay'd until Judgment upon the Review ; and in Case the original Plaintiff shall not be an Inhabitant or Resident in this Province at the Time of prosecuting the Writ of Review, it shall be deemed a good and legal Service for the Plaintiff on the Review to serve the Attorney, Factor, Agent or Trustee of the original Plaintiff, or such Person as appeared for the original Plaintiff, on the Appeal with his Writ of Review, which shall be deemed as effectual to hold him, to Answer and Defend in

Execution on Judgments on the Appeal to be staid in Case.

Writs of Review may be served on Attorney &c. in Case.

in the said Action, as if he himself were served with said Process. *Provided*, that the double Interest aforementioned shall not extend to the letting of Cattle or Usages of the like Nature in Practice among Farmers, or maritime Contracts among Merchants, as Bottomry or Course of Exchange, as hath been heretofore accustomed.

Writ of Review in real Actions may be served on Ter-Tenants in Case.

And be it further enacted by the Authority aforesaid, That in all real Actions where the Defendant or Defendants in the Review happen to live out of the Province, so that he she or they can't be duly served with a Writ of Review, the Service of such Writ upon the Ter-Tenant or Person in Possession of the Premises, shall be deemed a good Service, to hold the Defendant or Defendants to Answer and Defend in said Suit; and the Court of Judicature where the said Writ is returnable, shall proceed to try the Action as if Process had been served upon the original Defendant or Defendants personally.

Preamble.

WHEREAS the Provision made in and by an Act Intituled, An Act for the suppressing of Lotteries, made and pass'd in the sixth Year of the Reign of his late Majesty King George the first, has not been found sufficient to put a Stop to that Practice, but sundry Persons have expos'd their Estates as well Real as Personal to Sale by Lotteries, projected, and the Tickets disposed of, within this Province, reserving the drawing of the Lots in some of the neighbouring Colonies or Provinces; whereby the good and wholesome Design and true Intent and Meaning of the aforesaid Act, is very much eluded and evaded, to the great Discouragement of Trade and Industry, and grievous Hurt and Damage of many unwary People:

Judges

Townships, &c.

Judges for Probate of Wills, and granting of Administrations in the respective Counties, are required to take Bond of such Person or Persons, to whom they grant the Administration of the Estate of any Intestate, and it sometimes happens, that such Judges do put those Bonds in Suit, and distribute the Sums recovered thereon, to and among the Parties interested in such Manner, as in and by the said Act is directed: And whereas it has happened, that after such Distribution as aforesaid the Administrator has brought his Action of Review, and thereupon obtained a Reversal of the former Judgment; in which Case the respective Judges of Probate are liable to an Execution and thereby exposed to great Charge and Inconvenience:

For Remedy whereof:

Be it enacted by his Excellency the Governour, Council and Representatives in General Court assembled, and by the Authority of the same, That when any of the Judges for the Probate of Wills and granting of Administrations, shall put in Suit any Administrator's Bond, and recover a Judgment for the Penalty therein expressed, or any Part thereof at any Inferiour Court of Common Pleas, or Superiour Court of Judicature, Execution of such Judgment shall be staid, until the next Session of the Court whereat the same was obtained, that so such Administrator may then (if he sees Cause) have an Opportunity to review his Action: and if he shall neglect so doing, Execution shall thereupon be awarded; and the Judge for Probate shall make Distribution of the Sum recovered to and among the Parties interested therein, agreeable to the Direction of the Law: And every such Administrator is hereby forever precluded and bar'd from bringing any such Action afterward.

Execution to be staid upon Judgment recovered by the Judge of Probate.

An Act in Explanation of sundry Acts heretofore made, referring to the Admission of Town Inhabitants.

13^{W.} ca. 10.

Notwithstanding the Provision made by the Act pass'd in the twelfth and thirteenth Years of King William the third, (Intituled, An Act directing the Admission of Town Inhabitants) " That no Town shall be obliged to be at Charge for the Support of any Person residing there, unless such Person have continued in such Town (without being warned to depart thence) by the space of twelve Months, or else have obtained the Approbation of the Town, or the Select-Men thereof for his dwelling there: Yet inasmuch as it is not expressly declared in what Way and Manner such Approbation shall be given, some Doubt hath thereupon arisen, whether the Select-Men or Assessors in any Town, their rating or assessing any Person residing there, to Town Charges, and the Inhabitants reaping the Benefit of his Rate, ought not (within the Meaning of the said Act) to have the Force of an Approbation for such Persons dwelling there, so far as to subject such Town to the Charge of his Support in Case he stands in Need; by Means whereof sundry Disputes and expensive Law-Suits have arisen and may arise, unless prevented by this Court:

Preamble.

Be it therefore enacted by His Excellency the Governour, Council and Representatives in General Court assembled, and by the Authority of the same, That no Town shall be obliged to be at Charge for the Support of any Person resident in such Town that hath not continued there so long as to become an Inhabitant, unless he have obtained the Approbation of the

Town (at a Meeting of the Inhabitants regularly assembled) or the Approbation of the Select-Men (at their Meeting) for his dwelling there; such Approbation of the Select-Men to be given in writing under their Hands or under the Hands of the major Part of them: And no Act of the Select Men or Assessors in rating or assessing any such Person unto any Charges whatsoever, shall subject such Town to any Expences for his Support.

Preamble.

And whereas upon the first Paragraph in the Act made in the fourth and fifth Years of his present Majesty's Reign, and likewise that made in the tenth Year of the same Reign, directing the Admission of Town Inhabitants, which relates to the Charges which the Inhabitants of any Town shall be liable to answer, who shall admit and entertain any Person (not being an Inhabitant of such Town) in his House as Tenant or otherwise, for more than twenty Days, and shall not in writing give such Account to one of the Select-Men or Town Clerk of such Town, as in said Act is prescribed; a Doubt hath arisen whether the Words [all Charges] are to be construed to extend to the Charges of supporting the Persons so received and entertained, which may arise after he shall have continued in such Town so long as to become an Inhabitant:

Be it therefore declared and enacted by the Authority aforesaid, That the Words [all Charges] in the said Paragraph do extend to and include the Charge of supporting the Person so received and entertained after he shall have continued his Residence in such Town so long as to become an Inhabitant; and that such Charges may be recovered at any Time after they have arisen, although the Term limited for the Continuance of the said Act or Acts may (at the Time of bringing the Suit) be expired.

Forbearance of the Select-Men to warn Persons out of Town, not to excuse those that entertain them.

And it is hereby further declared and enacted by the Authority aforesaid, That no Forbearance of the Select-men to warn the Person received and entertained as aforesaid to depart the Town, shall free the Inhabitant of such Town by whom he was admitted and entertained from the Charge aforesaid, who shall violate the said Act by neglecting to give Account or Notice in Manner as is therein directed. And each Person offending (in Violation of said Act) shall be liable to answer the whole of the Charge incurred for the Relief of the Person by him admitted and entertained as aforesaid; and all such Charges are and ought to be understood and accounted to have arisen and accrued to the Town by Reason only of such his Mis-deed and Neglect; any others in like Manner offending notwithstanding.

And that the several Acts aforesaid, are and were intended as herein explained, and ought always so to be understood and put in Execution.

Be it therefore enacted by His Excellency the Governour, Council and Representatives in General Court assembled, and by the Authority of the same, That from and after the first Day of March next, no Coroner shall have Power to appoint a Deputy otherwise than for a particular necessary Occasion, and after such Deputy's Service therein his Power shall cease; and that all Deputy Coroners that may have received a general Deputation before the said first Day of March, their Deputation shall be of no Force or Virtue after the said Term, but shall then cease and be determined, and no Person under Pretence of any such Deputation, shall be excused from any Duties or Services whatsoever which he may by Law be otherwise obliged or liable to.

Hopkinton and Upton Lands.

C H A P. VIII.

An Act to enable the Trustees appointed in His Majesty's High Court of Chancery to purchase Houses or Lands and improve the same for perpetuating the Charity of the honourable *Edward Hopkins, Esq;* more effectually to secure the Interest of their several Tenants in Possession of their *Hopkinton* and *Upton* Lands, and the Revenue of those Lands to the College and Grammar School at *Cambridge*, according to the true Intent of all Parties at the first Settlement of that Town.

WHEREAS the Trustees appointed in his Majesty's high Court of Chancery to purchase Houses or Lands and improve the same for perpetuating the Charity of the honourable *Edward Hopkins, Esq;* at their Meeting the nineteenth of April 1716, agreed that those Lands should be leased out at the annual Rent of three Pence an Acre for the Term of ninety nine Years, and not exceeding nine Pence an Acre to those Termors their Heirs and Assigns at any Time coming after the Expiration of that Term, and afterwards when the Leases were made for that Term to commence the twenty-fifth of March 1723, as on the one Hand they did not secure to the particular Termors their Heirs and Assigns the Right of renewing their Leases from Time to Time for ever upon an annual Rent not exceeding nine Pence an Acre, to the great disadvantage of the Tenant, so on the other Hand they obliged the Trustees to discharge and save the Tenants from paying any Province Tax for three Quarters of the Premises, to the utter Loss of the Rent therein reserved for the pious Uses aforesaid: Preamble.

We it therefore enacted by His Excellency the Governour, Council and Representatives in General Court assembled, and by the Authority of the same, That it shall be lawful for the said Trustees, and they are hereby impowered by certain Indentures between them and the Tenants of those Lands to be executed, to confirm the several Tenements in the Tenure of the original Termors or their Assigns, to hold to them their Heirs and Assigns forever, reserving a Rent Charge of one Penny Sterling Money of Great-Britain or equivalent in Province Bills by the Acre, payable the twenty-fifth of March annually in Lieu of the Rent reserved in their respective Leases, till the twenty-fifth of March One Thousand eight Hundred and twenty-three, and three Pence an Acre like Money payable the twenty-fifth of March annually from that Time forward for ever, the Tenants covenanting for themselves their Heirs and Assigns to pay all Province Taxes for their Lands to be rated by this Court from Time to Time for what they are worth above the Rents reserved as aforesaid. New Indentures to be given on Hopkinton and Upton Land.

And whereas the Trustees aforesaid have by an Endorsement on their several Leases granted to the Termors and their Assigns the Right of Common in all their Lands in *Hopkinton* and *Upton* (above twelve Thousand five Hunderd Acres designed for the several Tenants and other particular Uses) in proportion to the Quantity of their Lands leased to them, and these Tenants apprehend they can more beneficially improve the said common Lands if divided to every one their Share: Preamble.

Now therefore,

We it further enacted by the Authority aforesaid, That the Trustees aforesaid instead of granting them the Common aforesaid, be impowered by the Indentures aforesaid the better to enable them to pay the Land Tax aforesaid, to give, grant, convey and confirm to the Tenants aforesaid all the Lands aforesaid, in proportion to their Lands leased to them as aforesaid, to hold to them and their Heirs Tenants impowered to divide their Commons.

Heirs

Heirs for ever, that they may either improve the same in Common as was first intended, or divide and seperately improve the same as shall seem good to them or the major Part of them upon Advise ment and mature Consideration thereof.

And for the better securing of the several Tenants Estate in the Premises, and more clear Discovery of their respective Interests, and the recovery of the Rents aforesaid :

A Register to be appointed for recording Leases &c.

Be it further enacted, That the Trustees aforesaid shall, and they are hereby impowered to appoint a Register for those Lands, and swear him to the faithful Discharge of his Duty, and from Time to Time upon his Misbehaviour or Failure by Death or otherwise, to substitute and swear another in his Room, who shall keep fair Books of Record, and therein record one of those Leases already recorded by the Register of the County of *Middlesex*, with the mean Conveyances thence down to the present Tenant in Possession, as also a Certificate from the Register of the County of *Middlesex* of all the rest by him recorded, expressing the Lessees Premises Dates and the Terms of Continuance, with all the mean Conveyances down to the present Tenant in Possession; and he shall likewise record all those Leases and mean Conveyances not yet recorded by the Register of the County of *Middlesex*, and all future Conveyances of any of the said Lands: And after the twenty-sixth Day of *April* next no Conveyance of those Houses or Lands, the Revenue whereof goes to the College and Grammar School in *Cambridge*, shall be good to hold the same against any other Persons but the Grantors and their Heirs only, unless the Deed thereof be recorded by the Register aforesaid, who shall take of the Purchasers at the Rate of *eight Pence* Sterling, or equivalent in Province Bills, for every Page of twenty eight Lines, eight Words in a Line for recording the same, and no more: And no Purchaser shall be obliged to record any of these Deeds in the Records of the County of *Middlesex* henceforward.

C H A P. IX.

An Act to limit and direct in suing out Executions upon Judgments of Courts.

Method for regulating Executions.

Whereas it enacted by his Excellency the Governour, Council and Representatives in General Court assembled, and by the Authority of the same, That when Judgment shall be given in any Court of Record, the Party obtaining it may sue out Execution thereon at any Time within a twelve Month, and afterwards renew it as often as Occasion shall require; and where any Execution shall be returned without any Satisfaction made, or satisfied only in Part, the Clerk of the said Court within a twelve Month after the Return thereof into the Office, may *ex Officio* renew or make out an alias or Plureis Execution for the whole or the Remainder as the Case may be, till the Judgment be fully satisfied: But if the Party shall neglect to sue out his Execution, Alias or Plureis, within the Times afore limited, he shall sue out a Writ of *Scire Facias*, and cause the adverse Party to be served therewith, or an attested Copy thereof, to be left at his Dwelling or Place of usual and last Abode, seven Days inclusive before the Court's sitting, requiring him to shew Cause, if any he have, why Execution ought not to be done; and upon his Non-Appearance, or not shewing sufficient Cause, the Court shall award Execution for what remaineth, with additional Cost.

Fences.

An Act in Addition to the several Acts for Regulating Fences.

WHEREAS the several Laws already made are ineffectual for obliging Persons to make and maintain Partition Fences between their Lands under Improvement, whereby the aggrieved Parties are put to great Expence and Charge in forcing a Compliance by the Rules of the Law :

Be it enacted by the Governour, Council and House of Representatives, That from and after the first Day of May next, that the respective Proprietors of all Lands enclosed with Fence, shall keep up and maintain Partition Fences between their and the next adjoining Enclosures, in equal Halves according to Law, so long as both Parties continue to improve the same, and in Case either Party lay his Enclosure common, the Party improving shall allow for his Half of said Partition-Fence what the same shall be judged worth in the Estimation of two or more of the Fence-Viewers of such Town ; and if any Person shall enclose such Land afterwards, or by joining Fences with another, enclose his Lands before lying common, he shall thereupon pay to the Person who owns the Partition-Fence the Value of one half of the same, in the Judgment of the Fence-Viewers as aforesaid, and all Partition-Fences hereafter to be made, shall be in like Manner done and maintained by the improving Parties in equal Halves ; and in Case either Party refuse after six Days Notice to make up his Half thereof, the aggrieved Party shall forthwith apply himself to two or more of the Fence-Viewers of such Town, who hereby are impowered and enabled to make up the same according to Law, and upon such Person's Refusal, who ought to pay for the same, with their Costs and Charges thereon, to prosecute and sue for it in any Court of Law proper to try the same, and in Case any Dispute shall arise about the respective Owner's Right to any Part of such Fence, and his or their Obligation to maintain the same, upon Application made to two or more of the Fence-Viewers of such Town where the Land lies, they are hereby impowered to assign to each Party his Share thereof, and such Settlement being recorded in the Town-Clerk's Office, shall be binding upon such Persons, and they obliged always thereafter to maintain their Part of said Fence as aforesaid ; and in Case any of the Parties aforesaid refuse or neglect (after six Days Notice given) to erect, keep up and maintain the Partition-Fences as is by this Act prescribed, upon Application made to two or more of the Fence-Viewers aforesaid, they shall do or cause the same to be done at the Cost of the Person neglecting his Duty, who (in Case of Refusal) shall be liable to the Suit of such Fence-Viewers for the Recovery thereof in Manner as aforesaid, who shall be allowed double for all their Charge and Expence in procuring Materials, and doing the Workmanship thereof : *Saving always*, to every Person and Persons any particular Agreement touching the making and maintaining Partition-Fences between their Lands.

An Act,

Passed by the Great and General Court or Assembly of His Majesty's Province of the *Massachusetts-Bay* in *New-England* ; Begun and held at *Boston* upon Wednesday the twenty fifth Day of *May*, 1743.

C H A P. I.

An Act in Addition to and in Explanation of sundry Clauses of an Act Intituled *An Act to ascertain the Value of Money and of the Bills of publick Credit of this Province, &c.* made and pass'd in the fifteenth Year of His Majesty's Reign.

15 G. 2. ca. 4.

Preamble.

WHEREAS in the Law for ascertaining the Value of Money and of the Bills of publick Credit of this Province passed in the fifteenth Year of his Majesty's Reign, it is enacted, That all Debts contracted after

Ascertaining the Value of Money.

after the last Day of March A.D. 1742, (Specialties and express Contracts excepted) should be deemed equal to lawful Money, and every Debt of six Shillings and eight Pence Value so contracted should or might be discharged by one Ounce of Silver, or six Shillings and eight Pence of the Bills of publick Credit emitted that Year, or that should thereafter be emitted, equal in Value to an Ounce of Silver. Provided nevertheless, that in Case such Bills should be depreciated below the Value they were stated at by said Act, that an Addition should be made of so much more as would make them equal to the then fixed Value aforesaid. And the Judges of the Superior Court, agreeable to the Directions of the aforesaid Law, have made Inquiry by a Committee for that Purpose appointed, who have certified into the Secretary's Office that seven Shillings and two Pence of the Bills of Credit of the last Form and Tenor is equal to one Ounce of Silver; in Consequence whereof Judgments have been made up in several Courts on Debts contracted since the last Day of March aforesaid at that Rate, whereby an Addition of six Pence is made to the Creditor on every Debt of six Shillings and eight Pence Value. And whereas by said Certificate compared with the Rates of Bills of Exchange in March aforesaid, it is manifest that the said Bills are not depreciated below the Value they passed at when first emitted, in as much as six Shillings and eight Pence in said Bills will now go as far in purchasing Bills of Exchange as when said Act was made, and the aforesaid Loss has happened to the Debtor from his not strictly attending the Direction of said Law, whereby every Debt of six Shillings and eight Pence is deemed equal to an Ounce of Silver, (Specialties and express Contracts excepted) and should have been considered by the Debtor at the Time of contracting such Debt as if the same had been payable in lawful Money. And whereas the Bills of publick Credit currant in this Province are at present the only Medium of the common Trade and Business within it, there will be continual Danger of the Debtor's computing his Debt according to the depreciated Value of such Bills whilst it is deemed by said Law to be contracted for lawful Money; and thereby great Damage may ensue to Debtors contrary to the true Intent and Meaning of the said Law:

Wherefore,

Be it enacted by the Governour, Council and House of Representatives, That all Debts contracted since the last of March A. D. One Thousand seven Hundred and forty two, or that shall hereafter be contracted (Specialties and express Contracts excepted) shall be deemed and adjudged equal to the real Value only such Bills have passed or shall pass at when such Debt was or shall be contracted; and every Debt of *twenty Shillings* contracted as aforesaid, shall or may be always hereafter discharged by *twenty Shillings* in said Bills, and so *pro rata* for a greater or less Sum; unless such Bills have already or should hereafter be depreciated below the Value they passed at when such Debt was or shall be contracted; and in such Case so much shall always be allowed by the respective Courts in this Province as shall make said Bills equal in Value to such Debt when contracted: Any Thing contained in the aforesaid Law to the contrary notwithstanding.

All Debts to be deemed according to Value of the Bills when contracted.

Saving an Allowance for Bills depreciating.

An Act,

Passed by the Great and General Court or Assembly of His Majesty's Province of the *Massachusetts-Bay* in *New-England*, Begun and held at *Boston*, upon Wednesday the twenty-fifth Day of *May*, 1743. And continued by Adjournment to Thursday the eighth Day of *September* following.

Passed by the Great and General Court or Assembly of His Majesty's Province of the Massachusetts-Bay in New-England; Begun and held at Boston, upon Wednesday the twenty-fifth Day of May 1743. And continued by Adjournment and Prorogations to Wednesday the eighth Day of February following.

CHAP. IV.

An Act to empower Justices of the Peace to summon Witnesses.

Preamble.

WHEREAS it often happens that when Disputes of a civil Nature arise between Parties, the Matter is submitted to the Arbitrament and Determination of Persons mutually chosen between them, or where Actions are commenced the Parties enter into a Rule of Court, whereby much Cost and long Contentions in the Law are prevented, but for want of proper Authority to summon Witnesses before the Arbitrators and Referees, such Submissions References and peaceable Settlements of Disputes are not so easy as otherwise they might be: Wherefore,

Justices impowered to summon Witnesses in Arbitrations, References &c.

Be it enacted by the Governour, Council and House of Representatives, That when any such Dispute or Difference arising between Parties shall by them be submitted to the Arbitrament and Determination of Persons mutually chosen between them, or where Actions are commenced and the Parties have entred into a Rule of Court, it shall and may be lawful for any one of His Majesty's Justices of the Peace within this Province in the respective Counties, on Application of either of the Parties or of the Persons arbitrating, to grant Subpœnas to summon and cause to appear before the Arbitrators or Referees such Person or Persons as shall be named for Evidences in the Premises, as fully and in the same Manner as by Law he might in Cases depending before himself; and every Person so summoned that shall refuse or neglect to appear and make Oath before a Justice of the Peace in the Presence of the Arbitrators or Referees as aforesaid (having first been paid as in civil Causes is allowed to Witnesses) shall be subject to the same Forfeiture and Damage as by Law he might be were he summoned to appear before any Court of Record, and should refuse or neglect Obedience thereto.

Penalty for Witnesses refusing to give Evidence.

How Witnesses going abroad are to be sworn.

And be it further enacted, That when any Witness may be going to Sea, or lives more than thirty Miles from the Place of the Sitting of the Referees or Arbitrators, or by Reason of Age, Sicknes or other bodily Infirmities is incapable of travelling and appearing in Person, then any Justice of the Peace to whom Application may in such Case be made, is hereby impowered and directed to proceed in taking such Person's Evidence according to the Law made for taking Affidavits out of Court.

CHAP. V.

An Act in Addition to an Act made in the fifteenth Year of his present Majesty's Reign, Intituled *An Act in Addition to an Act made to prevent the Destruction of the Fish called Alewives and other Fish.* 15 G. 2 ca. 6.

WHEREAS in and by an Act made in the fifteenth Year of his present Majesty's Reign, Intituled An Act in Addition to an Act made to prevent the Destruction of Alewives and other Fish, it is provided, That all Persons that should thereafter build any Mill Dam or Dams, or that had before the Time of the passing the same built any such Dam across any River or Stream where the Salmon, Shad, Alewives or other Fish usually pass up into the natural Ponds to cast their Spawn, shall make or open a sufficient Passage Way for the Fish to pass up such River or Stream through or round such Dam, and shall keep it open for the free Passage of the Fish from the first Day of April to the last Day of May annually; and also that a sufficient Water Passage round, through or over such Dams should be made for the Passage of such Fish or their young Spawn in the Season of their going down such River or Stream, on Penalty of fifty Pounds for every Offence: But by Reason that no Direction is therein given with respect to the sufficiency of the Sluice or Passage so to be made or left open, there arises great Difficulty to the Owner or Occupant of such Dams in complying therewith. And whereas by Reason that in some Streams and Rivers the said Fish pass sooner and in others later in the Year than the Time prescribed in said additional Act, as well as that the Time of their passing up and down, is in some Streams and Rivers longer, and in some shorter, so that it is found by Experience that the general Rule in the aforesaid Cases by Law provided, does not only fail of the good Ends proposed thereby, but also exposes the Owners and Occupants of such Dams to Trouble and Damage not necessary to answer the good Purposes of said additional Act:

Wherefore,

Be it enacted by the Governour, Council and House of Representatives, That it shall and may be lawful for any Owner or Occupant of any such Dam or Dams already built, or that may hereafter be built, and who are or may be obliged by said additional Act to open or leave open such Passage as aforesaid to apply to the next Court of General Sessions of the Peace to be holden in and for the County where such Mill Dam is, and the Justices of the Court respectively on such Application are impowered and directed to appoint a Committee of three sufficient and as much as may be, disinterested Persons under Oath, to repair to the Dam where the Passage is proposed to be opened, and carefully view the same, and in the best Manner they are able to inform themselves of the most proper Place for the Passage of such Fish up and down Stream, of what Dimensions the same shall be made or appointed to be, and what Part of each Year, and how long the same shall be kept open, and return the same under their Hands, or the Hands of the major Part of them, to the said Court for their Acceptance: which Return so made and accepted, shall be deemed and adjudged the lawful Rule of Proceeding in making and keeping open the Passage and Passages for the Fish in passing up and down the Rivers and Streams for the future: Any Thing contained to the contrary in said additional Act notwithstanding.

Owners or Occupants of Dams may apply to the Sessions to order the Passages for Fish & the Circumstances thereof.

Provided nevertheless, That if at any Time after such Determination either Party shall think themselves aggrieved by such Determination, it shall and may be lawful for the Owner or Owners, Occupant or Occupants of such Mill Dam or Dams, or any other five Persons of the other Party who may expect Benefit by said Fish passing up such Rivers or Streams once more to apply to the said Court for a new View and Report on the Premises in Manner aforesaid, which being by said Court accepted shall be final; the Charge of such Application

Parties aggrieved by such Order to apply to the Court for Relief.

Charge how
to be born:

to be born by the Persons applying in Case no material Alteration on the first Return is made, but otherways be born by the Owners of the Dam, in Proportion to their Interest, to be first stated and allowed by the said Court of General Sessions, and may be recovered by Action or Actions of Debt in any Court proper to try the same.

C H A P. VI.

An Act to explain a Paragraph in an Act of this Province made in the present Year of his Majesty's Reign, for the more speedy finishing the *Land Bank* or *Manufactory Scheme*.

17 G. 2. ca. 3.

Preamble.

WHEREAS in and by an Act made and pass'd at the Session of this Court held the twentieth Day of October last Intituled An Act for the more speedy finishing the *Land Bank* or *Manufactory Scheme*, it is (among other Things) provided that the said Act "shall not be adjudged or construed to be intended to hinder the Possessors of any of the Manufactory Bills from making the same Demands upon any of the late Directors and Partners of the said late Manufactory Company for the Redemption of the said Bills, as they might have made upon them before the Publication of the said Act, and that the Estates of the said Directors and Partners shall be as liable to be attached at such Suits of the Possessors of the said Bills or of any other just Creditor, as they were before the making of the said Act, any Thing therein contained to the contrary thereof in any wise notwithstanding." And in and by another Clause of the said Act it is enacted, "That whereas several Parcels of the said Manufactory Bills may be lodged in some or other of His Majesty's Courts of Judicature within this Province upon Judgments obtained there by some of the Possessors of such Bills against some of the Directors or Partners of the late Land Bank Company for the Redemption of the said Bills; The Justices of the said Courts shall within thirty Days after the Publication of that Act cause such Bills to be delivered up to the aforesaid Commissioners with a Certificate of the Names of the Possessors who lodged the said Bills in Court, and of the Directors or Partners of the said late Company against whom Judgment was obtained for the Redemption of the said Bills."

And whereas it may have happened that some of the Possessors of the said Manufactory Bills who had before the making of the aforesaid Act obtained Judgments in some or other of His Majesty's Courts of Judicature within this Province against some of the Directors or Partners of the said late Manufactory Company for the Value of some of the said Bills and Interest due thereon, pursuant to the Act of Parliament in that Case made and provided, and had thereupon lodged such Bills in the Court where they had obtained such Judgments, but had not then nor have yet received Satisfaction upon those Judgments.

And whereas some Doubt has arisen whether the Justices of His Majesty's Courts of Judicature where any of the said Manufactory Bills are lodged as aforesaid, are not directed and bound by the last recited Clause of the aforesaid Act of this Court to deliver up all the same without Exception to the aforesaid Commissioners, as well in Cases where the late Possessors of the said Bills who have obtained Judgment in their Court for the Value of the same and Interest due thereon with Cost of Suits, have not received full Satisfaction upon such

Judgments

Sealers of Weights and Measures.

Judgments, as in Cases where they have received Satisfaction upon the same; Which Construction of the said Clause is contrary to and inconsistent with the plain Sense of the herein before first recited Clause of the same Act, and to the Intent and Meaning of the said Act in general.

Now for removing the said Doubt and preventing any Misconstruction of the said Act in the Case before mentioned :

Be it enacted and declared by the Governour, Council and House of Representatives, That the true Intent and Meaning of the herein before recited Clauses of the aforesaid Act for the more speedy finishing of the Land Bank or Manufactory Scheme, was at the Time of passing the said Act, and shall be adjudged, construed and taken to be, that such only of the said Manufactory Bills, for the Value of which Judgments as aforesaid have been obtained, and the late Possessors have received full Satisfaction according to such Judgments, and it so appears by the Records of the said Courts, shall be delivered out of any of the said Courts of Judicature to the aforesaid Commissioners: Any Thing in the afore-recited Act to the contrary notwithstanding.

Manufactory Bills that for which Value has been received only to be delivered to the Commissioners.

CHAP. VII.

An Act to enable Justices of the Peace and Town Clerks to administer an Oath to Sealers of Weights and Measures, &c. and to establish their Fees.

4 W. & M. ca. 14.

WHEREAS by Law it is provided, that Sealers of Weights and Measures when chosen shall be presented to the Court of General Sessions of the Peace to be sworn, which by Reason of the Distance of many Towns in this Province from any such Court, often occasions great Delay and unnecessary Trouble :

Preamble.

For preventing of which for the future :

Be it enacted by the Governour, Council and House of Representatives, That from and after the Publication of this Act, it shall and may be lawful for any one of his Majesty's Justices of the Peace in the respective Counties to administer an Oath to any Sealer of Weights and Measures that may be chosen (as by Law already provided) in any Town within the County where such Justice lives, or the Town Clerk in such Towns where no Justice dwells, and such Sealer so chosen and sworn shall be deemed legally qualified for his Trust.

Justices of Peace and Town Clerks to administer the Oath to Sealers of Weights and Measures.

And whereas in the late Law for establishing Fees no Provision is made for such Offices, and by the Alteration of the Value of Money, the former Fees are become unequal :

Be it enacted, That for the future the Fees for the first Sealing any Weight, Measure, Scale or Beam, shall be one Penny half Penny, and for each After-sealing any such Weight, Measure, Scale or Beam, one Penny, which the Sealer may demand and take, and no more: Any Law, Usage or Custom to the contrary notwithstanding.

Fees for Sealers fixed.

An Act,

Passed by the Great and General Court or Assembly of His Majesty's Province of the *Massachusetts-Bay* in *New-England*; Begun and held at *Boston*, upon Wednesday the thirtieth Day of *May*, 1744. And continued by Adjournment to Thursday the ninth Day of *August* following.

C H A P. I.

An Act in further Addition to and Explanation of the Act for the more speedy finishing of the Land Bank or Manufactory Scheme.

17 G. 2. ca. 3

Preamble.

WHEREAS in and by an Act passed in the seventeenth Year of his present Majesty's Reign, Intituled An Act for the more speedy finishing of the Land Bank or Manufactory Scheme; it is provided, that the Commissioners therein named, should make a Report of their Proceedings in the Execution of their Trust to this Court at their present Session for their Approbation and Allowance, or Disallowance thereof, either in Whole or in Part, and that any of the late Directors and Partners of the late Land Bank or Manufactory Company, who should think himself aggrieved by the Proceedings of the said Commissioners, might file his Appeal from their Determination to this Court in the Secretary's Office at any Time before the present Session thereof.

And whereas the Affairs of the said late Company have been since found to be so circumstanced, that an Assessment on all the late Directors and Partners for their respective Proportions of the whole of the Charge and Loss that has arisen on said Scheme and Trade could not be made before the present Session of this Court; but the said Commissioners have, during the present Session thereof, assessed such of the delinquent Partners in said Scheme as have paid no Part of what is due from them to the said late Company, nor have otherwise redeemed any Part of the Bills which they borrowed and received of the said late Company, in divers Sums of Money, consisting of the principal Sums by the said delinquent Partners respectively received from the said late Company in Land Bank or Manufactory Bills, and the Interest due thereon, together with the further Sums of six Pounds on every Hundred of the original Sum drawn out of the said late Company's Stock, or borrowed out of the same by such of the said assessed Partners as were concerned in Trade, and three Pounds on the Hundred, as the Proportion of the other assessed Partners and pro rata for any greater or less Sum; and have made a Report of their said Proceedings to this Court, which Report is dated 16th of August 1744. But inasmuch as the Parties so assessed have had no Opportunity, in Case they should think themselves aggrieved by the said Proceedings, of filing their Appeal from the aforesaid Determination of the said Commissioners. to this Court, at their present Session, as in and by the before in Part recited Act it is provided they should have Liberty to do:

Appeal allowed to the Partners of Land Bank to the General Court from the Commissioners Determinations.

Be it therefore enacted by the Governour, Council and House of Representatives, That the said Partners of the said late Manufactory Company, who have been assessed by the said Commissioners in Manner aforesaid, and every of them shall have Liberty, in Case they or any of them shall think themselves aggrieved by the before-mentioned Determination and Assessment to appeal from the same to this Court at their next Session, provided they shall file such Appeal or Appeals in the Secretary's Office on or before the seventh Day of *September* next ensuing, and such Appeals and the Matters arising thereon shall be wholly governed, tried and determined by the Rules prescribed touching Appeals by the said in Part recited Act. And the aforesaid Proceedings of the said Commissioners,

Land Bank.

ners, and every Part thereof, are hereby declared to be allowed and approved of by this Court against such of the Partners assessed as aforesaid, who shall not file their Appeals from the same as aforesaid, within the Term herein before limited for that Purpose : And such of the said Partners shall be chargeable to pay to the said Commissioners the respective Sum or Sums assessed upon them ; and on Neglect of Payment thereof, the said Commissioners may in their own Names raise, sue for, and recover the same in such Manner as in and by the said former Act is provided.

Provided nevertheless, That the said Commissioners shall give Notice to the late Partners of the late Manufactory Company by them assessed as aforesaid, of the several before mention'd Assessments, by causing a List or Schedule of the same, together with a Copy of this Act, to be inserted in the four weekly Prints, called, *The Boston Weekly Post-Boy, The Boston Evening-Post, The Boston Gazette, or Weekly Journal, and The Boston Weekly News-Letter,* which shall be next published after the Publication of this Act.

Commissioners to give Notice of their Assessments in the Boston NewsPapers.

And whereas the Affairs of the said late Company are under such Circumstances that the same cannot be adjusted and finished in an equitable Manner by one single Assessment, but divers Assessments by the said Commissioners on the late Directors and Partners of the said late Company, and divers Reports of their Proceedings to this Court, are requisite for that Purpose :

Preamble.

Be it further enacted, That the said Commissioners, or any two of them, shall and may from Time to Time, until the Affairs of the said late Company be wholly settled and finished, as often as there shall be Occasion, make such Assessments on any of the said late Directors and Partners as they shall judge necessary for finishing the said Land Bank or Manufactory Scheme in the most equitable Manner, pursuant to the Directions of the said in Part recited Act ; and upon every such Assessment's being made, the said Commissioners shall give the Parties thereby assessed Notice thereof, by causing Lists or Schedules of such Assessments to be inserted in the before-mention'd Weekly Prints, which shall be next published after the making the said Assessment ; and that any of the said late Directors or Partners, who shall think himself aggrieved by any such Determination and Assessment, to be made by the said Commissioners, may at any Time within fourteen Days next after, Notice thereof being published in the four before-mention'd weekly Prints, file his Appeal from the same to this Court in the Secretary's Office ; and all such Appeals, and the Matters arising thereon, shall be wholly governed, tried and determined by the Rules prescribed touching Appeals by the said in Part recited Act.

Commissioners to make divers Assessments if they judge fit.

Appeal to be allow'd from them.

And be it further enacted, That every further Assessment made by the said Commissioners, shall remain in the Chamber of the Court-House in *Boston*, wherein the said Commissioners usually meet for the Execution of their Trust, until the Expiration of the said fourteen Days herein before limited for the filing of Appeals, ready for the Inspection of such of the Parties therein assessed as shall desire the same, and Copies thereof attested by the Clerk of the said Commissioners shall be delivered to them upon their Request, and at their proper Charge ; and that the said Commissioners shall make Report of their Proceedings in every such Assessment to this Court as soon afterwards as may be, for their Approbation and Allowance or Disallowance thereof, in Whole or in Part ; and each and every of the said late Directors and Partners shall be chargeable to pay to the said Commissioners the Sum or Sums in which he or they shall be from Time to Time assessed by the said Commissioners, with the Approbation of this Court, and on Neglect of Payment thereof, the said Commissioners may in their own Names raise, sue for, and recover the same in such Manner as by the said former Act is provided.

Assessment to be lodged in the Commissioners Chamber.

Directors and Partners chargeable to pay the Sums assessed.

Commissioners empowered to sue.

And be it further enacted, That attested Copies of the Assessment herein before-mentioned to be made by the said Commissioners, shall be delivered out of the Secretary's Office to any of the Parties therein assessed upon their Request and at their proper Charge.

Copies of Assessments to be delivered out of the Secretary's Office.

And

Ascertaining the Value of Money.

Preamble.

And whereas in and by the before mentioned Act, the said Commissioners are obliged to sit three Days in a Week for the Dispatch of the Affairs of said Scheme, until the same shall be finished: And whereas their Attendance for so great a Part of the Week may not be necessary after they shall have made their next Assessment, and reported the same:

Commissioners not obliged to sit more than one Day in the Week.

Be it therefore enacted, That the said Commissioners shall not be obliged (after they shall have presented their next Assessment on the aforesaid Manufactory Company to this Court for their Allowance) to sit more than one Day in a Week, unless when they shall judge that the Affairs of said Company shall require more frequent Attendance.

C H A P. II.

15 G. 2. ca. 4.

An Act in further Addition to an Act ascertaining the Value of Money, and of the Bills of publick Credit of this Province.

Preamble:

WHEREAS notwithstanding the Provision that is made in and by an Act pass'd in the fifteenth Year of his present Majesty's Reign (intituled An Act to ascertain the Value of Money, and of the Bills of publick Credit of this Province, granted this present Year for the Supply of the Treasury, and for securing the Credit of said Bills) for securing to any Creditor or Creditors what the Bills of Credit might sink or depreciate in their Value between the Time of contracting the Debt and the Payment thereof, it has been a frequent Practice for Creditors to exact and take of their Debtors for the Loan of any Sum or Sums of Money lent, and for Forbearance of their Debts, more than six per Cent; by which Practice some of the good and wholesome Laws of this Province, and the equitable Intent and Designs of them are eluded, and great Oppression and Injustice introduced, to the Reproach of this Government:

Now, for the Prevention thereof for the future:

No Allowance to be made for the depreciating of the Bills where any Thing has been allow'd already for it.

Be it enacted by the Governour, Council and House of Representatives, That in all Actions hereafter to be brought for the recovering any Debt or Sum due upon Bond, or otherwise contracted and payable in Bills of Credit since the thirty first Day of *March* One Thousand seven Hundred and forty two, or that may be contracted within five Years of that Date, if the Debtor will tender his Oath in Court that the Creditor has received any Thing for the Loan or Forbearance of such Debt either in Money, Bills, Goods, or by any new Bond, Bill, Note of Hand, Order, or under Colour of being paid for any Service or Thing, or by keeping back any Part of the Sum specified to be paid in the Condition of any Bond or other Specialty, or by any other Way or Means whatsoever, either directly or indirectly, more than *six Pounds* for the Loan or Forbearance of *one Hundred Pounds* for a Year, and so after that Rate for a greater or less Sum, or for a longer or shorter Time, then and in such Case, unless the Owner will make Oath to the contrary, Judgment shall be made up only for the exact nominal Sum received by or due from the Debtor (with lawful Interest for the same, if it be payable with Interest) but if the Creditor will tender and actually give his Oath as aforesaid, then Judgment shall be entred up for the full Value of said Debt, as it was at the Time of contracting the same.

And

Ascertaining the Value of Money.

And whereas there may be Debts and Sums payable in Bills of Credit or lawful Money yet due and owing from Man to Man, that were contracted before the said thirty first Day of March One Thousand seven Hundred and forty two, and no Provision made in the Law for making good to the Creditors what the Bills, in which such Debts or Sums might be discharged, have depreciated or fallen: And inasmuch as it appears just and equal that the Loss and Damage arising to such Creditors by the falling and depreciating of the Bills of Credit since the said thirty first Day of March, should be made good:

Be it further enacted, That in all such Cases it shall be in the Power of the Justices of the several Courts within this Province, to make up Judgment for such additional Sum or Sums as the said Bills shall be found to have depreciated from the said thirty first Day of March, until the Time of making up such Judgment, but not for any other or longer Time; in which Judgment the same Rule shall be observed as in Case of Debts contracted after the said thirty first Day of March, as in this Act is before provided; saving always to the Debtor the same Relief in Case he has in any Manner or Way, directly or indirectly paid or allowed more than six per Cent. as aforesaid, as is provided for him in this Act respecting any Debt or Sum that was contracted or agreed upon after the said thirty first Day of March.

Provision for making good the Value of the Debts before March 31. 1742.

And whereas many of His Majesty's Subjects in this Province, from an Apprehension that the Bills of Credit of the new Tenor were to be valued, taken and esteemed as lawful Money, from which Apprehensions many Persons have obliged themselves by their Bonds and otherways, to pay lawful Money where nothing but said Bills were received, or Goods for which the Creditor would have received Bills in Payment, nor was any Thing else intended or expected by either Party at the Time of contracting the Debt; notwithstanding which, some of the executive Courts of this Province have, contrary to the Expectation and Intention of the Parties as aforesaid, made up their Judgments on said Debts for lawful Money only, and construed the same not to be payable in said Bills, whereby the Debtor has been capable of discharging or satisfying the Execution only with Silver, the extreme Scarcity of which renders it almost impracticable to satisfy the Debt without paying such additional Sum to the Creditor as he will be pleased to take in said Bills, much to the Debtor's Oppression, which this Government ought to prevent:

Wherefore,

Be it enacted, That when any Sum or Sums of Money, due or contracted for since the first Emission of the said New Tenor Bills in the Year One Thousand seven Hundred and forty one, or that shall be contracted for within the Space of five Years from that Date, on Bond, Bill, Note, or otherwise, whether with Interest or without, if the Debtor will tender his Oath that he received of the Creditor no Silver on which said Debt or Sum then sued for arose, or that it was not agreed by the Parties that Silver should be paid in Discharge of such Debt or Sum due, that then and in every such Case, unless the Creditor will bonâ fide make Oath that Silver was received or agreed for, and understood, and intended to be paid by the Parties at the Time of contracting the said Debt or Agreement for the Sum sued for, the Judgment shall be given for Bills of Credit or lawful Money at the Debtor's Election, allowing in such Judgment for what the said Bills may have depreciated from the thirty first Day of March One Thousand seven Hundred and forty two, to the Time the Judgment is made up.

Judgment to be given only for Bills where Silver was not lent or received.

Saving always, To the Debtor the same Relief in Cases of this Nature which is by this Act already provided for him, where more than six per Cent. has been paid for the Loan or Forbearance of any Sum as aforesaid.

Saving.

An Act for the more speedy Extinguishment of Fire; and preserving Goods indangered by it.

Preamble.

WHEREAS the Contiguity or Nearness of Houses in many Towns in this Province makes it difficult when they accidentally take Fire, to preserve them, and prevent its spreading, by Reason of the Inhabitants being terrified by so grievous a Calamity, and the Want of proper Persons appointed to direct such as may be ready to assist: And moreover ill-minded Persons take the Advantage of the Hurry and Confusion attending such Accidents to plunder, and to embezzle the Goods of their distressed Neighbours:

Wherefore,

All Towns
impowered to
choose Fire
Wards.

Be it enacted by the Governour, Council and House of Representatives, That the several Towns within this Province may, if they see fit, at their anniversary Meeting in *March* annually appoint a suitable Number of Persons (not exceeding ten) who shall be denominated Fire-Wards, and have each for a distinguishing Badge of the Office, a Staff of five Feet long, painted Red and headed with a bright Brass Spire six Inches long.

Their Duty

And the Fire-Wards afore-mentioned are hereby required, upon Notice of the breaking forth of Fire, (taking with them their Badges respectively) immediately to repair to the Place, and vigorously exert themselves in requiring and procuring Assistance to extinguish and prevent the spreading of the Fire, and for the pulling down or blowing up any Houses, or any other Service relating thereto, as they may be directed by two or three of the cheif civil or military Officers of the Town, to put a Stop to the Fire; and in removing Household Stuff, Goods and Merchandizes out of any Dwelling Houses, Store-Houses, or other Buildings actually on Fire, or in Danger thereof, in appointing Guards to secure and take Care of the same, and to suppress all Tumults and Disorders. And due Obedience is required to be yielded to them, and each of them accordingly for that Service.

Penalty for
refusing to
assist them in
extinguishing
of Fire.

And all Disobedience, Neglect or Refusal in any, shall be informed of to some of His Majesty's Justices of the Peace within two Days next after, and the Offenders therein upon Conviction thereof before any two Justices *Quorum Unus*, shall forfeit and pay the Sum of *forty Shillings* each, to be levied and distributed by the Discretion of the Select-Men among the Poor most distressed by the Fire: And in Case the Offender or Offenders are unable to satisfy the Fine, then to suffer ten Days Imprisonment.

Penalty for
Persons pur-
loining or
concealing
Goods sav'd
from the Fire.

And be it further enacted, That if any evil-minded Persons shall take Advantage of such Calamity to rob, plunder, purloin, embezzle, convey away or conceal any Goods, Merchandizes or Effects of the distressed Inhabitants, whose Houses are on Fire, or endangered thereby, and put upon removing their Goods, and shall not restore and give Notice thereof to the Owner or Owners, if known, or bring them into such publick Place as shall be appointed and assigned by the Governour and Council, within the Space of two Days next after Proclamation made for that Purpose; the Person or Persons so offending, and being thereof convicted, shall be deemed Thieves, and suffer the utmost Severities of the Pains and Penalties by Law provided against such.

Acts and Laws,

Passed by the Great and General Court or Assembly of His Majesty's Province of the *Massachusetts-Bay* in *New-England*, Begun and Held at *Boston*, upon Wednesday the twenty-ninth Day of *May*, 1745. And continued by Adjournments and Prorogations to Wednesday the eleventh Day of *December* following.

C H A P. I.

An Act in Addition to an Act; Intituled *An Act directing how Rates and Taxes to be granted by the General Assembly, as also County Town and Precinct Rates shall be assessed and collected*; made and passed in the fourth Year of his present Majesty's Reign.

WHEREAS no Provision is made (in the Act Intituled An Act directing how Rates and Taxes granted by the General Assembly, as also County Town and Precinct Rates shall be assessed and collected) for appointing Collectors or Constables, where Towns neglect to choose them: whereby unless there be some Remedy, the good Design of said Act to secure the Payment of the Taxes granted by the General Assembly will be frustrated:

Preamble.

4 G. 2. ca. 1.

Be it therefore enacted by the Governour, Council and House of Representatives, That where any Town or Towns have neglected or shall neglect to choose Constables or Collectors to gather the Rates or Taxes granted by the General Court, that in such Case the Sheriff of the County shall be and hereby is empowered and directed to collect such Rates or Taxes, having received an Assessment made of the Proportion of the several Persons rateable in such Town, together with a Warrant under the Hands of such Assessors as shall be appointed by the Court of General Sessions of the Peace in the County where such deficient Town lies, according to the aforesaid Act of the fourth Year of his present Majesty's Reign; and the said Assessors are hereby directed where any Town has for divers Years past or shall for several Years together hereafter neglect to choose Assessors or Constables and Collectors to add together the several Sums annually due as also the several Fines of *twenty Pounds* due for each Year's Neglect, and their own Allowance by Law established, to be proportioned among the several Inhabitants and others rateable in such Town according to their best Judgment.

Sheriffs empowered to collect Rates or Taxes in Towns that have or shall neglect to choose Constables or Collectors.

And be it further enacted by the Authority aforesaid, That the Sheriff upon receiving the aforesaid Assessment and Warrant for collecting it, shall forthwith post up in some publick Place of the Town assessed, an attested Copy of such Assessment and Warrant, and shall make no Distress for any of the Sums so assessed till after thirty Days from his posting it up; and any Person or Persons paying the Sum or Sums respectively assessed on him or them to the Sheriff before the Expiration of the aforesaid thirty Days, shall pay at the Rate of *five per Cent* over and above to the Sheriff for his Fees, and no more: But all such as shall neglect to pay the Sum or Sums assessed for the space of thirty Days or longer from the aforesaid posting up the Copy of the Assessment, shall be proceeded against by the Sheriff in Way of Distress as Collectors by Law are empowered, and may require suitable Aid for that Purpose, and they shall each one pay the Fees for the Sheriff's Service and Travel as in other Cases where Distrain is made.

Sheriff to post up Copy of Assessment and Warrant.

And to the Intent the Courts of General Sessions of the Peace in the several Counties where such deficient Towns shall respectively belong, may from Time to Time seasonably appoint Assessors as needful:

Treasurer to
send a Certi-
ficate to the
Clerk of the
Court of Ge-
neral Sessions
of the Coun-
ty where de-
ficient Towns
belong.

Be it enacted by the Authority aforesaid, That the Province Treasurer for the Time being shall as soon as may be after he hath issued his Warrants to the Assessors of the several Towns for assessing and collecting the Rates and Taxes granted by the General Assembly for the Space of sixty Days, without any Account of such Towns choice of Collectors or Constables, whether it be a Town that hath neglected to make such Choice, or that hereafter shall neglect so to do, in every such Case the said Treasurer shall send a Certificate to the Clerk of the Court of General Sessions of the Peace for the County whereto the deficient Town belongs, of such their Deficiency, who shall lay it before said Court of Sessions at their next Sitting; whereupon the said Court shall forthwith proceed to appoint Assessors to assess and proportion the Rates and Taxes granted as aforesaid, and the Assessors so appointed, shall as soon as may be take an Oath to the faithful Discharge of their Trust before the said Court or some one or more of the Justices by the Court of Sessions to be appointed for that Purpose; and if any Person appointed an Assessor as aforesaid shall refuse to serve, he shall forfeit the Sum of *Twenty Pounds* to His Majesty for the Use of the Province; and the Court of Sessions shall immediately proceed to appoint others.

C H A P. II.

An Act in Addition to and for rendring more effectual the
Laws already in being for preventing the Destruction of
the Fish called *Alewives* and other Fish.

15 G. 2. ca. 6.

Preamble.

WHEREAS in and by an Act made in the fifteenth Year of his present Majesty's Reign, Intituled An Act in Addition to an Act made to prevent the Destruction of *Alewives*, and other Fish, it is provided, " That all
" Persons that should hereafter build any Mill-Dam or Dams, or that had be-
" fore the Time of passing the same, built any Dam a-cross any such River or
" Stream where the *Salmon, Shad, Alewives*, or other Fish, usually pass up
" into the natural Ponds to cast their Spawn, shall make or open a sufficient
" Passage Way for the Fish to pass up such River or Stream through or round
" such Dam, and shall keep it open for the free Passage of the Fish from the
" first Day of *April* to the last Day of *May* annually, and also that a suffi-
" cient Water Passage round through, or over such Dam, should be made for
" the Passage of such Fish or their young Spawn in the Season of their going
" down such River or Stream, on Penalty of *fifty Pounds*, for every Offence."

And in and by an Act made in the seventeenth Year of his present Majesty's
Reign, Intituled An Act in Addition to an Act made in the fifteenth Year of
his present Majesty's Reign, intituled An Act in Addition to an Act made to
prevent the Destruction of the Fish called *Alewives*, and other Fish, it is
provided, " That it shall and may be lawful for any Owner or Occupant of
" any such Dam or Dams already built, or that may hereafter be built, and
" who are or may be obliged by said additional Act to open or leave open
" such Passage as aforesaid, to apply to the next Court of General Sessions of
" the Peace to be holden in and for the County where such Mill-Dam is; and
" the Justices of the Court respectively, on such Application, are impowered
" and directed to appoint a Committee of three sufficient, and as much as may
" be, disinterested Persons under Oath, to repair to the Dam where such Pas-
" sage is proposed to be opened, and carefully view the same, and in the best
" Manner they are able to inform themselves of the most proper Place for the
" Passage of such Fish up and down Stream, of what Dimensions the same shall
" be, or be appointed to be made, and what Part of each Year, and how long
" the same shall be kept open, and return the same under their Hands, or the
" Hands of the major Part of them, to the said Court for their Acceptance, which
" Return so made and accepted shall be deemed and adjudged the lawful Rule
" of Proceeding in making and keeping open the Passage and Passages for the Fish
" in

Alewives and other Fish.

“ in passing up and down the Rivers and Streams for the future ; any Thing contained to the contrary in said additional Act notwithstanding.”

And whereas it may happen that in some Rivers or Streams, a-cross which Dams are built, it may be doubtful whether the Fish may be said usually to pass or cast their Spawn, and so as to render it necessary that a Way should be left open in such Dams for their free Passage, and many Inconveniencies may arise from such Doubt or Uncertainty :

Be it therefore enacted by the Governour, Council and House of Representatives, That when and so often as Application shall be made to the Court of Sessions by the Owner or Occupant of any Mill-Dam or Dams, either of such Dams as have no Passage Way, or of such Dams through which a Passage Way has already been made, and a Committee shall thereupon be appointed by such Court pursuant to the last recited Act, and such Committee shall repair to any Dam or Dams, and it shall appear to them upon Inquiry that the Fish do not, or in Case of a Passage being made or kept open would not usually pass up the River or Stream a-cross which such Dam is or shall be built, in such Numbers as that it is necessary a Passage Way through such Dam should be made or kept open, or that the passing of the Fish up such River will not be of greater general Benefit than the leaving open of Passage Ways in such Dams will be of Damage to the Owners of the Mills and other Persons, then and in either of such Cases, said Committee shall be empowered to make a Report that such Passage Way is not necessary, and such Report being accepted by the Court of Sessions, the Owner or Occupant of such Dam shall thereupon be freed from all Obligation to make or keep open any Passage ; any Thing in the afore-mentioned Acts to the contrary notwithstanding. And the Charge of the Application that shall be made by the Owner or Occupant of any Mill-Dam or Dams, and all Proceedings of the Court thereupon, pursuant to this Act, or to the said last recited Act, shall be born and paid by such Owner or Occupant.

Court of General Sessions to determine the Expediency of Dams, &c upon the Report of a Committee.

Provided always, That if at any Time after such Determination, any Person apprehending it necessary that a Passage Way should be opened in such Dam, shall thereupon make Application to the Court of Sessions, said Court shall be empowered to appoint a new Committee, who shall have the same Power the first Committee by Law had, or might have had, and upon such Committee's reporting that a Passage Way is necessary in such Dam or Dams, and the Dimensions thereof, and the Time it shall be kept open, and upon such Report being accepted by the Court of Sessions, the Owner or Occupant of such Mill or Dam shall be as fully obliged to keep open such Passage as if the former Report had never been made and accepted ; any Thing in this Act to the contrary notwithstanding. The Charge of such Application and all Proceedings thereupon to be paid by the Person or Persons making the same, or by the Owner or Occupant of such Dam, as the Court of Sessions shall order.

Proviso.

And whereas in some Counties within this Province the Justices of the Court of Sessions have refused to admit any Application from the Owner or Occupant of any Mill or Mill-Dam by Reason that such Application has not been made at the Court next immediately following the Publication of the last recited Act :

Preamble.

Be it further enacted, That the several Courts of Sessions within this Province be and hereby are empowered and directed to admit, proceed and determine upon any such Application at any Court at any Time held for the County, and all such Proceedings shall be deemed as valid to all Intents and Purposes as if they had been acted upon at the Court next immediately following the Publication of said Act.

Further Power of the Court of Sessions.

And whereas in many Rivers or Streams within this Province neither Shad, Salmon, nor Alewives usually swim, or would pass up such River or Stream, altho' a Passage Way was made and kept open through the several Dams built a-cross such Rivers or Streams, and the Advantage of other Fish that pass up such Rivers or Streams is not equal to the Damage that may arise by keeping open a Passage Way through such Dams :

Preamble.

In what Case
Mill Dam or
Dams are to
be kept open.

Be it therefore enacted, That no Owner or Occupant of any Mill Dam or Dams built or to be built within this Province, shall be liable to any Penalty for not making or keeping open a Passage Way through such Dam or Dams, except those Dams only which are built a-cross those Rivers or Streams where either of the afore-mentioned Fish, viz. *Shad, Salmon or Alewives* usually swim or pass; any former Law, Usage or Custom to the contrary notwithstanding.

Application
may be made
to the Court
of Sessions
relating to
Dams, &c.

Provided always, That it shall be in the Power of any Person at any Time to make Application to the Court of Sessions, setting forth that the Passage of other Fish up such Rivers or Streams is of such Advantage as to render a Passage Way through any Dam or Dams necessary, and the Justices of the Court of Sessions are empowered on such Application to appoint a Committee to repair to such Dam or Dams, and upon such Committee's reporting that a Passage Way or Ways for the Fish is necessary, the Dimensions thereof, and the Time for keeping it open, and upon such Report's being accepted, the Owner or Occupant of such Dam or Dams shall be as fully obliged to make and keep open such Passage Way or Ways as if *Shad, Salmon or Alewives* usually passed up such River or Stream.

Preamble.

And whereas the Mill-Dam in the Town of Watertown referred to in the afore-said Act of the Fifteenth of his present Majesty, has not been subjected in like Manner with the other Mill-Dams within this Province:

Mill-Dam in
Watertown
not to be raised in a certain Time, except &c.

Be it therefore enacted, That if any Person or Persons whatsoever shall cause the Dam of said Mill to be raised, so as to prevent the Passage of the Fish over the same at any Time between the breaking up of the Ice in the Winter or Spring and the first Day of *May* annually, and in any Year hereafter, without the express Leave or Consent of the Select-Men of the Towns of *Watertown* and *Newtown*, every Person so offending shall forfeit and pay the Sum of *five Pounds* for each Offence, to be recovered in any Court of Record proper to try the same, and for the Use of him or them that shall inform and sue therefor.

C H A P. III.

An Act for the Explanation and further Enforcement of the Laws made for the Observation of the Lord's Day.

ca. 8.

Repealed

Preamble.

WHEREAS in and by an Act made and pass'd in the fifteenth Year of his present Majesty's Reign, Intituled An Act in further Addition to the several Acts for the Observation and keeping of the Lord's Day, it is enacted, " That His Majesty's Justices of the Peace shall bind over the " Offenders against that Act to appear before the next Court of General Sessions of the Peace for the County where the Offence shall be committed &c.

And whereas it so happens, that divers such Offenders are Strangers, and not Inhabitants in the Town where the Offence is committed, nor of any other Town in this Province, and Persons so mean and obscure that they cannot afterwards be found, so that without a speedy Way of proceeding against them, they will have an Advantage to avoid Justice, and with respect to such Persons the good Intent of the said Law may be thereby wholly frustrated and defeated. And whereas a Doubt has arisen in divers Persons, who are enjoined by Law to put in Execution the Laws made for the due Observation of the Lord's Day, whether the Act above-mentioned does not repeal some Clauses in an Act made in the fourth Year of King William and Queen Mary, for the better Observation and keeping of the Lord's Day, and other subsequent Acts made for the same good Purposes; and through these Means there have been great Neglects of prosecuting and punishing Persons guilty of the Prophanation of the Sabbath:

Now to prevent the evil Consequences of such wrong Constructions of the Laws in that Case made and provided:

Ascertaining the Value of Money.

It is hereby declared by the Governour, Council and Houſe of Re-
 ſentatives. That it is not the true Intent and Meaning of the firſt menti-
 oned Act made in the fifteenth Year of his preſent Maſteſty's Reign to repeal
 any of the precedent Laws made for the Obſervation of the Lord's Day, or any
 Paragraphs or Clauſes thereof, but that the ſame ought to remain in full Force
 and Virtue.

Precedent
 Laws relat-
 ing to the
 Lord's Day
 not repeal'd,
 but remain
 in full Force
 and Virtue.

And it is hereby accordingly enacted, That the ſaid precedent Laws do and
 ſhall remain in full Force and Virtue, as if the ſaid Act of the fifteenth Year of
 his preſent Maſteſty's Reign had never been made: Saving that by the ſaid Act
 His Maſteſty's Juſtices of the Peace have Liberty given them to proſecute the
 Offences therein mentioned in the Manner as is therein directed, if they judge it
 will beſt answer the general Intention of the Laws for the better Obſervation
 of the Lord's Day.

An Act,

 Province of the *Maſſachusetts Bay* in *New-England*. Begun and

An Act in further Addition to and for Explanation of cer-
 tain Clauſes in three ſeveral Acts herein after mention'd
 made and paſſ'd in the fifteenth, ſeventeenth and eigh-
 teenth Years of his preſent Maſteſty's Reign, for aſcertain-
 ing the Value of Money, and of the Bills of publick Credit
 of this Province.

15 G. 2 ca 4.

WHEREAS in and by an Act made and paſſ'd in the fifteenth
 Year of his preſent Maſteſty's Reign, intituled, An Act to aſcertain
 the Value of Money and of the Bills of publick Credit of this Pro-
 vince granted this preſent Year for the ſupply of the Treasury, and for ſecuring
 the Credit of ſaid Bills; the ſeveral Courts of Judicature are directed in mak-
 ing up Judgments for Debts that ſhould be contracted within the Term of five
 Years therein limited (except as therein excepted) in Caſe the Province Bills
 by ſaid Act emitted, or that ſhould thereafter be emitted, ſhould be depre-
 ciated below the Value they were ſet at by ſaid Act, to allow the Creditor ſo
 much in ſaid Bills, as ſhould make amends for their Depreciation below their
 then ſtated Value, or the Value at which ſuch other Bills ſhould be ſtated;
 And whereas in the Rule by ſaid Act preſcribed for determining the Value of
 ſuch Bills from Time to Time for the Purpose aforeſaid only Silver and Bills
 of Exchange are made the Standard whereby ſaid Bills are to be eſtimated in
 order to the Payment of private Debts to be contracted within the Time afore-
 ſaid; which Rule by Experience has been found to be unequal, and not to an-
 ſwer the good Intention of the ſaid Act, inasmuch as the Bills of Credit, being
 the only Medium of Trade and Commerce in this and the other Governments
 in New-England, their Value cannot be truly eſtimated by the Prices of any
 one or two particular Commodities or Merchandizes, ſuch as Bills of Exchange
 and Silver now are and have for ſeveral Years paſt been within this and the
 aforeſaid other Colonies, and the Prices of which in Bills of publick Credit
 have been found liable to be very ſuddenly and immoderately increaſed by a few
 Perſons for the ſake of ſerving their own particular Trade or Intereſt, whereby the

Preamble.

Ascertaining the Value of Money.

Bills of Credit have often been to the great Grievance of Debtors much depreciated with respect to Bills of Exchange and Silver, tho' at the same Time they have kept their Value with respect to all other Commodities and Merchandizes in this Province :

Now for preventing any future Inconvenience which may arise to the Debtor from estimating the Value of Bills of Credit by comparing them with the Prices of Bills of Exchange and Silver alone ;

Price of Provisions &c. to be consider'd in the Valuation of the Bills.

Be it enacted by the Governour, Council and House of Representatives, That when any Valuation shall be made of the Bills of publick Credit on this Province in Pursuance of said Act, and for the Purposes therein mentioned, regard shall be had not only to Silver and Bills of Exchange, but to the Prices of Provisions and other Necessaries of Life, and to the Difference that may arise from the Plenty or Scarcity of them, or other Circumstances which may casually occasion the rise or fall of them, at the respective Seasons wherein such Valuation shall be made as aforesaid.

And whereas the aforementioned Act directs that the Valuation of the Bills of publick Credit as aforesaid for the Purposes aforesaid, shall be made once in every six Months by the General Assembly, and in want thereof, by a Committee consisting of the eldest Councillor for the Time being, in each of those Counties, where any Member of his Majesty's Council is an Inhabitant : And whereas the said Act doth not expressly declare that the Determination made by any Number of the said Committee short of the whole, shall be accounted valid for the Purposes aforesaid ; and Doubts and Disputes have thereupon arisen :

For Prevention whereof for the future :

Five Councillors to be a Quorum for valuing the Bills.

Be it enacted by the Governour, Council and House of Representatives, That any five of the said Councillors shall be a Quorum, and every Valuation of the Bills of publick Credit to be made by the whole Number of the said Councillors or the major Part of such of them as shall convene and be present, at the Time of making the same (provided the Number present be not less than five, and that due Notice has been previously given to the rest that shall then be within this Province, of the Time, Place and Occasion of their Meeting) shall be deemed and counted valid in the Law, for the Purposes in said Act mentioned.

And whereas altho' the Method of making up Judgment on private Debts (with Allowance for the sinking of the Value of the Province Bills) as prescribed in the aforesaid Act, and in another Act made and pass'd in the eighteenth Year of his present Majesty's Reign, intituled, An Act in further Addition to an Act for ascertaining the Value of Money, and of the Bills of publick Credit of this Province, is limited to Debts contracted within or before certain Periods mentioned in said Acts respectively, and is not extended to Debts thereafter to be contracted ; yet unless some certain Term of Time be limited for calling in such Debts, and for the Continuance of the aforesaid Method of making up Judgment thereupon, many of said Debts may be long outstanding, and in Consequence thereof it will be requisite (for a Rule to the executive Courts in their Proceedings) that a Valuation of said Bills be from Time to Time made either by the General Assembly or such others as by Law are appointed for that Service, 'till every of those Debts shall be discharged, how long soever that Time may be protracted, to the Hindrance and Interruption of the publick Affairs of the Province, or to the great Trouble, Expence and loss of Time to those concerned therein.

For Prevention of which and other Inconveniencies ;

Limitation of the Time for bringing Assi- ons on this Act.

Be it enacted by the Governour, Council and House of Representatives, That in all and every Action and Actions which shall be brought from and after the last Day of September, which will be in the Year of our Lord, One Thousand seven Hundred and forty Nine, the aforesaid Method of making up Judgments in the several executive Courts of this Province, on all Debts and Dues contracted before the last Day of March, One Thousand seven Hundred

Hundred and forty seven, by Virtue or in Consequence of the Power and Directions given in the Acts aforesaid, or either of them, shall cease and determine, and no Allowance shall be made in making up such Judgments for any Depreciation of the Bills of Credit, unless the Debt on which such Action shall arise, did not become payable 'till after the last Day of *September*, Anno Domini One Thousand seven Hundred and forty Nine, or unless the Creditor now be and shall continue out of this Province 'till after the Expiration of the said Term, and have no lawful Agent or Attorney therein, or be a Person *non Compos Mentis*, and have no lawful Guardian, or be under some other legal Incapacity of bringing his Action for the Recovery of such Debt within the Term herein before limited for that Purpose. And if after that Term Suit shall be brought for any such Debts, Judgments shall be made up according to the last Valuation that shall have been then made.

Saving.

And whereas in and by an Act made and pass'd in the seventeenth Year of his present Majesty's Reign, entitled; An Act in Addition to and in Explanation of sundry Clauses of an Act entitled; An Act to ascertain the Value of Money, and of the Bills of publick Credit of this Province, made and pass'd in the fifteenth Year of his Majesty's Reign; It is enacted, "That all Debts contracted since the last of March, One Thousand seven Hundred and forty Two, or that shall thereafter be contracted (Specialties and express Contracts excepted) shall be deemed and adjudged equal to the real Value only such Bills have passed or shall pass at when such Debt was or shall be contracted; and every Debt of twenty Shillings contracted as aforesaid shall or may be always hereafter discharged by twenty Shillings in said Bills and so pro rata for a greater or less Sum, unless such Bills have already or should hereafter be depreciated below the Value they passed at when such Debt was or shall be contracted; and in such Case so much shall always be allowed by the respective Courts in this Province as shall make said Bills equal in Value to such Debt when contracted."

Preamble:

And whereas the Debts referred to in the said Act appear by the purview thereof, to be such only as then had been or should be contracted within five Years from the last Day of March, One Thousand seven Hundred and forty Two, yet as the said Act has by some been construed to extend to Debts to be contracted after the Expiration of said Term; and in Consequence of such Construction (if admitted) many Inconveniencies may arise:

Wherefore for Prevention thereof, and for removing any Doubts or Disputes touching the Meaning of said Act in the Case before mentioned:

Be it enacted and declared by the Governour, Council and House of Representatives, That the Debts referred to and intended in the last herein before recited Act are such only as had been or should be contracted within the before-mentioned Term of five Years from the last Day of *March* One Thousand Seven Hundred and forty-two, and that the Rule therein given to the Courts of Judicature respecting the Allowance to be made for the Depreciation of the Bills of publick Credit, was intended and shall be adjudged, construed, and taken to be restrained to Debts, contracted within the Term aforesaid, and not to extend to any other whatsoever.

Time for contracting Debts that are to have Benefit upon Depreciation of the Bills stated.

An Act in Addition to, and for Explanation of an Act, Intituled, *An Act for Limitation of Actions, and for avoiding Suits at Law where the Matter is of long standing.*

13 G. 2. ca. 3

Preamble.

WHEREAS in and by an Act made in the 13th Year of his present Majesty's Reign, intituled, An Act for Limitation of Actions, and for avoiding Suits in Law where the Matter is of long standing; *It is among other Things enacted, " That all Actions for Arrearages of Rent, or grounded on " any Lending or Contract without Specialty, should be brought within four " Years next after the Cause of such Action, in Cases where the Cause of Action should arise after the Publication of the said Act, and in those Cases where " the Cause of Action had arisen before within four Years after the Publication " thereof, and not afterwards; " And whereas the latter Part of the said Clause was at the Time of making the said Act, generally understood to be meant and intended only of such Actions grounded on Lending, or Contract without Specialty as are express'd in the Act of Parliament, which was pass'd in the 21st Year of the Reign of King James the first, intituled, An Act for Limitation of Actions and avoiding Suits at Law; (from which Act the before-recited Law of this Province is (with Respect to the Actions therein mentioned) in a great Measure copied;) but yet the same construed in it's utmost Latitude, may be understood to include Actions of the Case upon Bill or Note of Hand, and has lately been so adjudged by some of the Courts of Judicature within this Province; (and by the like Construction may be deem'd to extend to all Actions of Account, and upon the Case whatsoever, not excepting such Accounts as concern the Trade of Merchandize between Merchant and Merchant, their Factors or Servants;) by which Construction in the Courts of Judicature, very many Creditors have been greatly surprized and injured, who upon the aforesaid general understanding of the said Clause of the aforesaid Provincial Act and thro' Lenity to their Debtors, have foreborn to bring Actions for the recovery of Debts due to them by promissary Note or otherwise howsoever upon simple Contract, within the Time limited in the aforesaid Law of this Province for bringing Actions grounded upon Lending or Contract without Specialty; and will thereby (upon the aforesaid Construction of the latter Part of said recited Clause) be barred from bringing Actions for the recovery of the same, and great Mischief and Inconvenience may arise in the Trade of Merchandize and Dealings between Merchant and Merchant, and other Traders within this Province :*

Now for remedying and preventing the same,

Further Time allowed for bringing Actions of Account and on the Case.

Be it declared and enacted by the Governour, Council and House of Representatives, That all Actions of Account or upon the Case grounded on any Lending or Contract or otherwise howsoever, in which the Cause of Action has arisen before the Publication of this Act, and which have not yet been commenced or prosecuted to Effect, may be brought and prosecuted at any Time within four Years after the Publication hereof; and in Cases where such Actions have been commenced, and Judgment hath been given upon Plea in Bar or on Trial for the Defendant, the Plaintiff or Plaintiffs in such Action, their Executors or Administrators, may bring and prosecute a Writ of Review of the said Action in such Court where the same was Tried, within three Years after the making up such Judgments, for the reversing the same, and recovering of their Debt, any Thing in the aforesaid Act contain'd to the contrary notwithstanding, and shall have the

the like Advantage for recovering the same, as if the said Act had never been made: And that all Actions of Account and upon the Case other than such Accounts as concern the Trade of Merchandize between Merchant and Merchant, their Factors or Servants (the Cause whereof shall arise after the Publication of this Act) shall be brought within the Term of four Years next after the Cause of such Actions, and not afterwards; And that all Actions of Account which concern the Trade of Merchandize between Merchant and Merchant, their Factors or Servants as aforesaid, may be brought and prosecuted at any Time after the Cause of such Action, at the Pleasure of such Persons as may be concerned, any Thing in the aforesaid Act to the contrary in any wise notwithstanding.

Time limited
for bringing
Actions of
Account and
on the Case.

Provided always, and be it further enacted, That this Act shall not be understood to bar any Infant, Feme-Covert, Person imprisoned, beyond the Seas, or *non compos mentis*, from bringing either of the Actions beforementioned within the Term before set and limited for bringing such Actions, reckoning from the Time that such Impediment shall be removed.

Proviso.

And whereas it may happen that some Debtors may be out of this Province during the whole or some considerable Part of the Term of Time by this Act allowed and limited for bringing such Actions as aforesaid, and the Creditors in such Case not have like Advantage with other Creditors for recovering their Debts:

Preamble.

It is therefore hereby further provided and enacted, That if any Debtor shall continue out of this Province more than twelve Months within the aforesaid Term, in such Case the Creditor shall be allowed such further Time for bringing his Action and recovering his Debt as shall appear (to the Satisfaction of the Court in which such Action shall be brought) that the Debtor had continued out of the Province within the four Years beforementioned.

other Things enacted and declared in the Words following, viz. " That no Execution shall be issued during the Term aforesaid from the Office of any Clerk of any of the Inferiour Courts of Common Pleas or of the Superiour Courts of Judicature, for any Sum whatsoever, unless the Plaintiff or Plaintiffs (suing in his or their own Right) shall first take the Oath aforesaid, and Certificate thereof shall be made on such Execution." And whereas such Clerk ex-officio is not impowered to administer such Oath, and by Means thereof great Delay may be occasioned to many Plaintiffs, and Loss and Damage thereby arise :

Clerks of the Courts impowered to administer Oaths upon taking out Executions.

Be it therefore enacted, That the Clerks of the Superiour Court of Judicature and the several Clerks of the Inferiour Courts of Common Pleas within this Province, be and hereby are impowered to administer such Oath (when it hath not already been done before a Justice of Peace, and certified to the Clerk) to any Plaintiff or Plaintiffs whatsoever (suing in his or their Right and dwelling within this Province) and Certificate may and shall be made thereof accordingly; and for administering the Oath as aforesaid such Clerk shall be allowed *three Pence*, and no more.

WHEREAS in and by an Act made and passed in the twenty-second Year of his present Majesty's Reign, intituled, An Act for drawing in the Bills of Credit of the several Denominations which have at any Time been issued by this Government and are still outstanding, and for ascertaining the Rate of coin'd Silver in this Province for the future; it is enacted in the Words following, viz. And whereas there is great Reason to apprehend that many and great Inconveniencies may arise in Case any coin'd Silver or Gold, or English Half Pence and Farthings should pass at any higher Rate than in a just Proportion to Spanish Pieces of Eight or coin'd Silver at the Rates aforesaid :

Rates of Coins stated.

Be it therefore enacted by the Lieutenant Governour, Council and House of Representatives, That it shall not be lawful for any Person within this Government from and after the thirty-first Day of *March* One Thousand seven Hundred and fifty, to receive take or pay any of the following Coin at any greater or higher Rate than is allowed by this Act, viz. For any Debt contracted before the said thirty-first Day of *March*, and understood to be payable in Bills of the old Tenor in such Proportion higher or greater than the Rates set at in this Act, as *forty five Shillings* is to *six Shillings*; and for any Debt contracted before the said thirty-first Day of *March*, and understood to be payable in Bills of the middle Tenor or Bills of the new Tenor, in such Proportion higher or greater than the Rates set at in this Act as *eleven Shillings and three Pence* is to *six Shillings*: Any Thing in this Act to the contrary notwithstanding.

Regulation of the Stile.

At the Parliament begun and holden at *Westminster*, the Tenth Day of *November*, Anno Dom. 1747, in the Twenty-first Year of the Reign of our Sovereign Lord *GEORGE* the Second; by the Grace of God, of *Great Britain*, *France* and *Ireland*, King, Defender of the Faith, &c.

C H A P. IX:

An Act for Regulating the Commencement of the Year ;
and for Correcting the Calendar now in Use.

WHEREAS the legal Supputation of the Year of our Lord in that Part of *Great Britain* called *England*, according to which the Year beginneth on the Twenty fifth Day of *March*, hath been found by Experience to be attended with divers Inconveniencies, not only as it differs from the Usage of neighbouring Nations, but also from the legal Method of Computation in that Part of *Great-Britain* called *Scotland*, and from the Common Usage throughout the whole Kingdom, and thereby frequent Mistakes are occasioned in the Dates of Deeds, and other Writings, and Disputes arise therefrom : And whereas the Calendar now in use throughout all his Majesty's *British* Dominions, commonly called, *The Julian Calendar*, hath been discovered to be erroneous, by Means whereof the Vernal or Spring Equinox, which at the Time of the General Council of *Nice*, in the Year of our Lord three Hundred and twenty-five, hapned on or about the Twenty-first Day of *March*, now happens on the Ninth or Tenth Day of the same Month ; and the said Error is still encreasing, and if not remedied, would, in Proceess of Time, occasion the several Equinoxes and Solstices to fall at very different Times in the Civil Year from what they formerly did, which might tend to mislead Persons ignorant of the said Alteration : And whereas a Method of correcting the Callendar in such Manner as that the Equinoxes and Solstices may for the future fall nearly on the same nominal Days, on which the same happened at the Time of the said General Council, hath been received and established, and is now generally practised by almost all other Nations of *Europe* : And whereas it will be of general Convenience to Merchants, and other Persons corresponding with other Nations and Countries, and tend to prevent Mistakes and Disputes in or concerning the Dates of Letters and Accounts, if the like Correction be received and established in his Majesty's Dominions : May it therefore please your Majesty, that it may be enacted : *And*

be it enacted by the King's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal and Commons, in this present Parliament assembled, and by the Authority of the same, That in and throughout all his Majesty's Dominions and Countries in *Europe, Asia, Africa and America*, belonging or subject to the Crown of *Great-Britain*, the said Supputation, according to which the Year of our Lord beginneth on the Twenty-fifth Day of *March*, shall not be made Use of from and after the last Day of *December*, One Thousand seven Hundred and Fifty-one; and that the first Day of *January* next following the said last Day of *December*, shall be reckoned, taken, deemed, and accounted, to be the first Day of the Year of our Lord One Thousand seven Hundred and fifty-two; and the first Day of *January* which shall happen next after the said first Day of *January* One Thousand seven Hundred and fifty-two, shall be reckoned, taken, deemed, and accounted, to be the first Day of the Year of our Lord One Thousand seven Hundred and fifty three; and so on from Time to Time, the first Day of *January*, in every Year which shall happen in Time to come, shall be reckoned, taken, deemed and accounted, to be the first Day of the Year; and that each new Year shall accordingly commence, and begin to be reckoned, from the first Day of every such Month of *January*, next preceeding the Twenty-fifth Day of *March* on which such Year would, according to the present Supputation have begun or commenced: And that from and after the said first Day of *January*, One Thousand seven Hundred and fifty two, the several Days of each Month shall go on, and be reckoned and numbered, in the same Order; and the Feast of *Easter*, and other moveable Feasts thereon depending, shall be ascertained according to the same Method, as they now are, until the second Day of *September*, in the said Year One Thousand seven Hundred and fifty two inclusive; and that the natural Day next immediately following the said second Day of *September*, shall be called, reckoned, and accounted, to be the fourteenth Day of *September*, omitting for that Time only the Eleven intermediate nominal Days of the common Calendar; and that the several natural Days, which shall follow and succeed next after the said fourteenth Day of *September*, shall be respectively called, reckoned and numbered forwards in numerical Order from the said fourteenth Day of *September*, according to the Order and Succession of Days now used in the present Calendar: And that all Acts, Deeds, Writings, Notes, and other Instruments of what Nature or Kind soever, whether Ecclesiastical or Civil, publick or private, which shall be made, executed, or signed, upon or after the said first Day of *January*, One Thousand seven Hundred and fifty-two, shall bear Date according to the said new Method of Supputation; and that the Two fixed Terms of *Saint Hilary* and *Saint Michael*, in that Part of *Great-Britain* called *England*, and the Courts of great Sessions, in the Counties *Palatine* and in *Wales*, and also the Courts of General Quarter Sessions, and General Sessions of the Peace, and all other Courts of what Nature or Kind soever, whether Civil, Criminal or Ecclesiastical, and all Meetings and Assemblies, of any Bodies Politick, or Corporate, either for the Election of any Officers or Members thereof, or for any such Officers entering upon the Execution of their respective Offices, or for any other Purpose whatsoever, which by any Law, Statute, Charter, Custom or Usage, within this Kingdom, or within any other the Dominions or Countries subject or belonging to the Crown of *Great-Britain*, are to be holden and kept on any fixed or certain Day of any Month, or on any Day depending upon the Beginning, or any certain Day, of any Month (except such Courts as are usually holden or kept with any Fairs or Marts) shall, from Time to Time from and after the said second Day of *September*, be holden and kept upon or according to the same respective nominal Days and Times, whereon or according to which the same are now to be holden, but which shall be computed according to the said new Method of numbering and reckoning the Days of the Calendar, as aforesaid; that is to say, Eleven Days sooner than the respective Days whereon the same are now holden and kept: Any Law, Statute, Charter, Custom or Usage to the contrary thereof in any wise notwithstanding.

And for the continuing and preserving the Calendar or Method of Reckoning and computing the Days of the Year in the same regular Course, as near as may be, in all Times coming; *Be it further enacted by the Authority aforesaid,* That the several Years of our Lord, One Thousand eight Hundred, One Thousand nine Hundred, Two Thousand one Hundred, Two Thousand two Hundred, Two Thousand three Hundred, or any other Hundredth Years of our Lord, which shall happen in Time to come, except only every Fourth hundredth Year of our Lord, whereof the Year of our Lord Two thousand shall be the First, shall not be esteemed or taken to be Bissextile or Leap Years, but shall be taken to be Common Years, consisting of Three hundred and sixty five Days, and no more; and that the Years of our Lord, Two thousand, Two thousand four Hundred, Two thousand eight Hundred, and every other Fourth hundred Year of our Lord, from the said Year of our Lord Two thousand inclusive, and also all other Years of our Lord, which by the present Supputation are esteemed to be Bissextile or Leap Years, shall for the future, and in all Times to come, be esteemed and taken to be Bissextile or Leap Years, consisting of Three hundred and sixty six Days, in the same Sort and Manner as is now used with respect to every Fourth Year of our Lord.

And whereas according to the Rule prefixed to the Book of Common Prayer of the Church of *England*, *Easter-day* is always the First Sunday after the First Full Moon which happens next after the One and twentieth Day of *March*, and if the Full Moon happens upon a Sunday, *Easter-day* is the Sunday after; which Rule was made in Conformity to the Decree of the said General Council of *Nice*, for the Celebration of the said Feast of *Easter*: And whereas the Method of computing the Full Moons now used in the Church of *England*, and according to which the Table to find *Easter* for ever, prefixed to the said Book of Common Prayer, is formed, is by Process of Time become considerably erroneous: And whereas a Calendar, and also certain Tables and Rules for the fixing the true Time of the Celebration of the said Feast of *Easter*, and the finding the Times of the Full Moons on which the same dependeth, so as the same shall agree as nearly as may be with the Decree of the said General Council and also with the Practice of Foreign Countries, have been prepared, and are hereunto annexed; *Be it therefore further enacted by the Authority aforesaid,* That the said Feast of *Easter*, or any of the Moveable Feasts thereon depending, shall from and after the said Second Day of *September*, be no longer kept or observed in that Part of *Great-Britain* called *England*, or in any other the Dominions or Countries subject or belonging to the Crown of *Great Britain*, according to the said Method of Supputation now used, or the said Table prefixed to the said Book of Common Prayer; and that the said Table, and also the Column of Golden Numbers, as they are now prefixed to the respective Days of the Month in the said Calendar, shall be left out in all future Editions of the said Book of Common Prayer; and that the said New Calendar, Tables, and Rules, hereunto annexed, shall be prefixed to all such future Editions of the said Book, in the Room and Stead thereof; and that from and after the said Second Day of *September*, all and every the fixed Feast-days, Holy-days, and Fast-days, which are now kept and observed by the Church of *England*, and also the several solemn Days of Thanksgiving, and of Fasting and Humiliation, which by virtue of any Act of Parliament now in Being, are from Time to Time, to be kept and observed, shall be kept and observed on the respective Days marked for the Celebration of the same in the said New Calendar; that is to say, On the same respective Nominal Days on which the same are now kept and observed; but which according to the Alteration by this Act intended to be made, as aforesaid, will happen Eleven Days sooner than the same now do; and that the said Feast of *Easter*, and all other Moveable Feasts thereon depending, shall, from Time to Time, be observed and celebrated according to the said New Calendar, Tables, and Rules, hereunto annexed, in that Part of *Great-Britain* called *England*, and in all the Dominions and Countries aforesaid, wherein the Liturgy of the Church of *England* now is, or hereafter shall be used; and that the Two Moveable

WHEREAS in a late Law of this Province intituled, "An Act in Addition to and for Explanation of an Act, intituled, An Act for Limitation of Actions, and avoiding Suits at Law where the Matter is of long Standing," made and passed in the twenty-second Year of his present Majesty's Reign, the Time limited for commencing of all Actions of Account, and upon the Case (excepting as therein is excepted) will expire in September next; and whereas the Difficulties arisen by the Exchange of the Medium of Trade in this Province, and the Prevalency of the Small-Pox in Boston, and sundry other Towns in this Government, render it almost impracticable to have such Accounts and Actions of the Case settled within the Time by said Act limited for that Purpose:

Be it therefore enacted by the Lieutenant Governour, Council and House of Representatives, That the Time for commencing of Actions of Accounts and of the Case, by said Act limited as aforesaid, be and the same is hereby extended to the first Day of *September*, which will be in the Year of our Lord One Thousand seven Hundred and fifty-four; and no Suit hereafter to be brought in such Cases shall be barred, if commenced before the Expiration of said Term.

And that no Alienation hereafter made by Ministers of Lands by them held in Succession shall be valid any longer than during such Alienors continuing Ministers, unless such Ministers be Ministers of particular Towns, Districts, or Precincts, and make such Alienation with the Consent of such Towns, Districts or Precincts, or unless such Ministers so aliening be Ministers of Episcopal Churches; and the same be done with the Consent of the Vestry. And the several Churches in this Province not being Episcopal Churches, are hereby impowered to choose a Committee, to call the Deacons or other Church Officers to an Account, and if need be, commence and prosecute any Suits touching the same, and also to advise and assist such Deacons in the Administration of the Affairs aforesaid.

Ministers to take in Succession Parsonage Lands &c.

No Alienation to be made without Consent of the Church.

And whereas the several Congregations in the Town of Boston, and some others under the like Circumstances, are not by Law enabled by Vote to raise Money for the Support of the Ministry and publick Worship among them:

Be it further enacted, That in every such Case where Moneys cannot be raised as aforesaid for the Support of the Ministry and defreying the other Charges necessary for the upholding and maintaining of publick Worship, and Repairs of the House in which the same is performed, by Virtue of any Provision in the Laws already made for that Purpose; the Proprietors of the Pews or Persons to whom they are allotted in the several Houses for publick Worship, may, if they think fit, at a publick Meeting to be called for that Purpose by the Proprietors Clerk, Deacons or Church Wardens, and Notice thereof immediately after divine Service given ten Days at least before said Meeting, cause the several Pews in such Houses to be valued according to the Convenience and Situation thereof, and a new Estimate to be put upon said Pews from Time to Time, as shall be found necessary, and a Tax to be laid upon each Pew according to the Convenience and Situation thereof as aforesaid; provided the said Tax shall not exceed two Shillings per Week on any one Pew: the Money so raised to be applied towards the Support of the Ministry and other Charges necessary for maintaining publick Worship or Repairs of the House; and that the said Proprietors may at a Meeting to be called as aforesaid, choose a Clerk and Treasurer, and likewise appoint some suitable Persons to demand and receive the several Sums so assessed of the Owners of such Pews: And in Case of Denial on such Demand or Neglect of Payment three Months after such Demand, to sell the same, and after deducting such Taxes and Costs to return the Surplus to the Owners.

C H A P. II.

An Act for further Regulating the Partition of Real Estates.

WHEREAS the Justices of the Superior Court in certain Cases, and the Judges of Probate in certain Cases, are by Law impowered to appoint five Freeholders to make Partition of Real Estates: And whereas it is found unnecessary for so great a Number to be appointed where the Estate to be divided is but of small Value: Preamble.

We it therefore enacted by the Governour, Council and House of Representatives, That for the future it shall and may be lawful for the Justices of the Superior Court and Judges of Probate respectively to appoint either three Freeholders or five to make Partition of Real Estates according to the Circumstances of the Estate to be divided, and as such Justices or Judges of Probate in their Discretion shall think proper. Justices of the Superior Court and Judges of Probate respectively to appoint Freeholders to make Partition of Real Estates.

And whereas it sometimes happens that the Estate to be divided, consists of such distinct Tenements, and under such peculiar Circumstances, as that an exact Partition thereof cannot be made to each of the Parties according to his Share in the whole Estate, without making such fractional Division of a Messuage Tract of Land or other Tenement as would be extremely prejudicial to the Interested therein:

For Prevention whereof:

We it further enacted, That when any Messuage Tract of Land or other Tenement shall be of greater Value than either Party's Purpart or Share in the Estate to be divided, and cannot at the same Time be subdivided or Part thereof assigned to one and Part to another without great Inconvenience, the same may be settled on one of the Parties not being a Minor, he paying for owelty of Partition, or to make a just and equitable Partition, such Sum or Sums to such Party or Parties as by Means thereof have less than their Share of the Real Estate, as said Dividers shall award, and the Part so assigned shall stand charged for the Payment thereof. Where Lands &c cannot be subdivided, may be settled on one of the Parties not being a Minor.

And it is hereby further enacted by the Authority aforesaid, That from and after the Tenth Day of *September*, One Thousand seven Hundred and sixty four, upon the Exportation of any Sort of Wine (except *French* Wines) from this Kingdom to any *British* Colony or Plantation in *America*, as Merchandize, the Exporter shall be paid, in Lieu of all former Drawbacks, a Drawback or Allowance of all the Duties paid upon the Importation of such Wine, except the Sum of Three Pounds Ten Shillings per Ton, Part of the additional Duty of Four Pounds per Ton, granted by an Act made in the last Session of Parliament (intituled, *An Act for granting to His Majesty several additional Duties upon Wines imported into this Kingdom, and certain Duties upon all Cyder and Perry, and for raising the Sum of Three Millions five Hundred Thousand Pounds, by way of Annuities and Lotteries, to be charged on the said Duties*) and also except such Part of the Duties paid upon Wines imported by Strangers or Aliens, or in Foreign Ships, as exceeds what would have been payable upon such Wines, if the same had been imported by *British* Subjects and in *British* Ships ; any Law, Custom, or Usage, to the contrary notwithstanding ; which Drawback or Allowance shall be made in such Manner, and under such Rules, Regulations, Penalties, and Forfeitures, in all Respects, as any former Drawback or Allowance, payable out of the Duties of Customs upon the Exportation of such Wine, was, could, or might be made, before the passing of this Act.

Provided always, and it is hereby further enacted, That upon the Entry of any such Wine for Exportation to any *British* Colony or Plantation in *America*, and before any Debenture shall be made out for allowing the Drawback thereon, the Exporter shall give Bond, with sufficient Security, to His Majesty, His Heirs and Successors, to be approved of by the Collector, or other principal Officer of the Customs at the Port of Exportation, in Treble the Amount of the Drawback payable for the Goods, that the same and every Part thereof, shall (the Dangers of the Seas and Enemies excepted) be really and truly exported to, and and landed in some *British* Colony or Plantation in *America*, and that the same shall not be exported or carried to any other Place or Country whatsoever, nor reloaded in any Part of *Great Britain*, *Ireland*, or the Islands of *Guernsey*, *Jersey*, *Alderney*, *Sark*, or *Man*, or either of them : And such Bonds shall not be delivered up nor discharged, until a Certificate shall be produced, under the Hands and Seals of the Collector or other principal Officer of the Customs at the Port or Place where such Goods shall be landed, testifying the Landing thereof : And the Condition of such Bond shall be, to produce such Certificate, in Eighteen Months from the Date of the Bonds, (the Dangers of the Seas and Enemies excepted.)

And it is hereby further enacted by the Authority aforesaid, That from and after the First Day of *May*, One Thousand seven Hundred and sixty four, no Part of the Rate or Duty, commonly called *The Old Subsidy*, shall be repaid or drawn back for any Foreign Goods of the Growth, Production, or Manufacture of *Europe*, or the *East Indies*, which shall be exported from this Kingdom to any *British* Colony or Plantation in *America* (Wines, White Calicoes, and Muslins, only excepted) ; any Law, Custom, or Usage, to the contrary notwithstanding.

And

And it is hereby further enacted by the Authority aforesaid, That from and after the Tenth Day of *September*, One Thousand seven Hundred and sixty four, upon the Exportation of any Sort of White Callicoes or Muslins, except as herein after is mentioned, from this Kingdom to any *British* Colony or Plantation in *America*, besides the One Half of the Rate or Duty commonly called *The Old Subsidy*, which now remains, and is not drawn back for the same, there also shall not be repaid or drawn back the further Sum of Four Pounds Fifteen Shillings for every Hundred Pounds of the true and real Value of such Goods, according to the Gross Price at which they were sold at the Sale of the United Company of Merchants trading to the *East Indies*, being the Third Part of the Net Duties granted thereon respectively by Two several Acts of Parliament, the One made in the Eleventh and Twelfth Year of the Reign of King *William the Third*, intituled, *An Act for laying further Duties upon Wrought Silks, Muslins, and some other Commodities of the East Indies, and for enlarging the Time for purchasing certain reversionary Annuities therein mentioned*; and the other made in Third and Fourth Year of the Reign of Queen *Anne*, intituled, *An Act for continuing Duties upon Low Wines, and upon Coffee, Tea, Choccolate, Spices, and Peñures, and upon Hawkers, Pedlars, and Petty Chapmen, and upon Muslins*; and for granting new Duties upon several of the said Commodities, and also upon Callicoes, China-ware, and Drugs; any Law, Custom, or Usage to the contrary notwithstanding.

Provided always, and be it further enacted by the Authority aforesaid, That until the First Day of *March*, One Thousand seven Hundred and sixty five, upon the Exportation from this Kingdom, to any *British* Colony or Plantation in *America*, of such White Callicoes or Muslins only as were sold on or before the Twenty fifth Day of *March*, One Thousand seven Hundred and sixty four, at the Sale of the United Company of Merchants, trading to the *East Indies*, such and the same Drawbacks shall be allowed as are now payable upon the Exportation of the said Goods.

And be further enacted by the Authority aforesaid, That if any Merchant or other Person shall, from and after the said First Day of *May*, One Thousand seven Hundred and sixty four, enter any Goods for Exportation to Parts beyond the Seas, other than to the said *British* Colonies or Plantations in *America*, in order to obtain any Drawback not allowed by this Act, upon the Exportation of such Goods to the said *British* Colonies or Plantations, and the said Goods shall nevertheless be carried to any *British* Colony or Plantation in *America*, and landed there contrary to the true Intent and Meaning hereof, that then, and in such Case, the Drawback shall be forfeited, and the Exporter of such Goods, and the Master of the Ship or Vessel on Board which the same were loaden and exported, shall forfeit Double the Amount of the Drawback paid or to be paid for the same, and also Treble the Value of the said Goods.

And it is further enacted by the Authority aforesaid, That from and after the said First Day of *May*, One Thousand seven Hundred and sixty four, if any Goods, not allowed to draw back any Part of the Old Subsidy, or any other Duty by this Act, shall be entered for Exportation from this Kingdom to any other Place beyond the Seas, except to some *British* Colony or Plantation in *America*, in every Case where the Exporter is required, by any Law now in Force, to swear that such Goods are not landed or intended to be landed in *Great Britain, Ireland, or the Isle of Man*, there shall also be added to, and included in the Oath, upon the Debenture for such Goods, "*any British Colonies or Plantations in America.*"

And be it further enacted by the Authority aforesaid, That from and after the Twenty-ninth Day of *September*, One Thousand seven Hundred and sixty-four, no Rum or Spirits of the Produce or Manufacture of any

but until 1 March, 1765, upon Exportation of such White Callicoes and Muslins as were sold on or before 25 March preceeding, at the *India House*, the same Drawbacks shall be allowed as are now payable.

Where Goods entered for Exportation to Parts beyond the Seas in order to obtain a Drawback not allowed by this Act, shall be carried to any *British* Plantation in *America*, such Drawback shall be forfeited, and Double the Amount thereof; with Treble the Value of the Goods. Addition to the Oath upon Debentures, for such Goods as shall be entered for Exportation to other Places beyond the Seas, than to the *British American* Plantations.

And it is hereby further enacted and declared by the Authority aforesaid, That from and after the Twenty ninth Day of *September*, One Thousand seven Hundred and sixty four, nothing in the before-recited Act made in the Sixth Year of the Reign of his late Majesty King *George* the Second, or any other Act of Parliament, shall extend, or be construed to extend, to give Liberty to any Person or Persons whatsoever to import into the Kingdom of *Ireland*, any Sort of Sugars, but such only as shall be fairly and *bona fide* loaden and shipped in *Great Britain*, and carried directly from thence in Ships navigated according to Law.

And, for the better preventing Frauds in the the Importation of Foreign Sugars and Paneles, Rum and Spirits, Molasses and Syrups, into any of His Majesty's Dominions, under Pretence that the same are the Growth, Produce, or Manufacture of the *British* Colonies or Plantations, it is further enacted by the Authority aforesaid, That from and after the Twenty ninth Day of *September*, One Thousand seven Hundred and sixty four, every Person or Persons loading on Board any Ship or Vessel, in any of the *British* Colonies or Plantations in *America*. any Rum or Spirits, Sugars or Paneles, Molasses or Syrups, as of the Growth, Product, or Manufacture, of any *British* Colony or Plantation, shall, before the clearing out of the said Ship or Vessel, produce and deliver to the Collector or other principal Officer of the Customs at the Loading Port, an Affidavit signed and sworn to before some Justice of the Peace in the said *British* Colonies or Plantations, either by the Grower, Maker, or Shipper of such Goods, or his or their known Agent or Factor, expressing, in Words at Length, and not in Figures, the Quality of the Goods so shipped, with the Number and Denomination of the Packages, and describing the Name or Names of the Plantation or Plantations, and the Name of the Colony where the same grew or were produced and Manufactured; which Affidavit shall be attested under the Hand of the said Justice of the Peace, to have been sworn to in his Presence; Who is hereby required to do the same without Fee or Reward: And the Collector or other Principal Officer of the Customs to whom such Affidavit shall be delivered, shall thereupon grant to the Master, or other Person having the Charge of the Ship or Vessel, a Certificate under his Hand and Seal of Office (without Fee or Reward) of his having received such Affidavit pursuant to the Directions of this Act; which Certificate shall express the Quality of the Goods shipped, on Board such Ship or Vessel, with the Number and Denomination of the Packages: And such Collector or other Principal Officer of the Customs shall also (without Fee or Reward) within Thirty Days after the Sailing of the Ship or Vessel, transmit an exact Copy of the said Affidavit to the Secretary's Office for the respective Colony or Plantation where the Goods were shipped, on Forfeiture of Five Pounds.

Provided always, That if any Rum or Spirits, Sugar or Paneles, Molasses or Syrups, shall be imported into *Great Britain* from any *British* Colony or Plantation in *America*, without being included in such Certificate as is herein before directed, and it shall be made to appear to the Satisfaction of the Commissioners of His Majesty's Customs at *London*, or *Edinburgh*, respectively, that the Goods are really and truly the Produce of such *British* Plantation or Colony, and that no Fraud was intended, it shall and may in such Case be lawful for the said respective Commissioners to permit the said Goods to be entered, upon Payment of the like Duties as such Goods would be liable to if this Law had not been made.

And whereas by an Act of Parliament made in the Twelfth Year of the Reign of King *Charles* the Second, intituled, *An Act for encouraging and increasing of Shipping and Navigation*, and several subsequent Acts of Parliament which are now in Force, it is among other Things, directed, That for every Ship or Vessel that shall load any Commodities, in those Acts particularly enumerated, at any *British* Plantation, being the Growth, Product, or Manufacture thereof, Bonds shall be given with due Surety, to the Value of One Thousand Pounds if the Ship be of less Burthen than One Hundred Tons, and of the Sum of Two Thousand Pounds, if the Ship be of greater Burthen, that the same Commodities shall be brought by such Ship or Vessel, to some other *British* Plantation, or to some Port in *Great Britain*; notwithstanding which, there is great Reason to apprehend such Goods are frequently carried to Foreign Parts, and landed there: And whereas great Quantities of Foreign Molasses and Syrups are clandestinely run on Shore in the *British* Colonies, to the Prejudice of the Revenue, and the Great Detriment of the Trade of this Kingdom, and it's *American* Plantations: To remedy which Practices for the future, be it further enacted by the Authority aforesaid, That from and after the Twenty ninth Day of *September*, One Thousand seven Hundred and sixty four, Bond and Security, in the like Penalty, shall also be given to the Collector or other principal Officer of the Customs at any Port or Place in any of the *British American* Colonies or Plantations, with one Surety besides the Master of every Ship or Vessel that shall lade or take on board there any Goods not particularly enumerated in the said Acts, being the Product or Manufacture of any of the said Colonies or Plantations, with Condition, that in Case any Molasses or Syrups, being the Produce of any of the Plantations not under the Dominion of His Majesty, His Heirs or Successors, shall be laden on board such Ship or Vessel, the same shall (the Danger of the Seas and Enemies excepted) be brought, without Fraud or wilful Diminution, by the said Ship or Vessel to some of His Majesty's Colonies or Plantations in *America*, or to some Port in *Great Britain*; and that the Master or other Person having the Charge of such Ship or Vessel, shall immediately upon his Arrival at every Port or Place in *Great Britain*, or in the *British American* Colonies and Plantations, make a just and true

And it is hereby further enacted, That if any *British* Ship or Vessel laden as aforesaid, with any Goods of the Produce or Manufacture of any *British* Colony or Plantation in *America*, or having on Board any Molasses or Syrops, the Produce of any Foreign Colony or Plantation, shall be discovered by any Officer of His Majesty's Customs within Two Leagues of the Shore of any *British* Colony or Plantation in *America*, and the Master or Person taking Charge of such Ship or Vessel shall not produce a Certificate that Bond has been given, pursuant to the Directions of this or any other Act of Parliament, as the Case may require ; or if he shall not produce such Certificate to the Collector or other chief Officer of the Customs where he shall arrive, either in *Great-Britain* or any *British American* Colony or Plantation, such Ship or Vessel, with her Tackle, Apparel, and Furniture, and all the Goods therein laden, shall be forfeited, and shall and may be seized and prosecuted as herein after is directed.

And it is hereby further enacted by the Authority aforesaid, That the said Bond directed to be given by this Act, with respect to such Non enumerated Goods, shall continue in Force for One Year, from and after the Completion of the Voyage ; and in case no Fraud shall appear within that Time, it shall be lawful for the Commissioners of His Majesty's Customs, or any Four or more of them, to direct the said Bond to be delivered up.

And it is hereby further enacted by the Authority aforesaid, That from and after the Twenty ninth Day of *September*, One Thousand seven Hundred and sixty four, all Coffee, Pimento, Cocoa Nuts, Whale Fins, Raw Silk, Hides, and Skins, Pot and Pearl Ashes, of the Growth, Production, or Manufacture of any *British* Colony or Plantation in *America*, shall be imported directly from thence into this Kingdom, or some other *British* Colony or Plantation, under the like Securities, Penalties and Forfeitures, as are particularly mentioned in Two Acts of Parliament made in the Twelfth and Twenty fifth Years of the Reign of King *Charles* the Second, the former intituled, *An Act for the encouraging and increasing of Shipping and Navigation*, and the latter intituled, *An Act for the Encouragement of the Greenland and Eastland Trades, and for the better securing the Plantation Trade*, or either of them, with respect to the Goods in those Acts particularly enumerated ; any Law, Custom, or Usage, to the contrary notwithstanding.

And it is hereby further enacted by the Authority aforesaid, That from and after the Twenty ninth Day of *September*, One Thousand seven Hundred and sixty four, no Iron, nor any Sort of Wood, commonly called Lum-

ber, as specified in an Act passed in the Eighth Year of the Reign of King George the First, intituled, *An Act for giving further Encouragement for the Importation of Naval Stores, and for other Purposes therein mentioned*, of the Growth, Production, or Manufacture, of any *British* Colony or Plantation in *America*, shall be there laden on Board any Ship or Vessel to be carried from thence, until sufficient Bond shall be given, with One Surety besides the Master of the Vessel, to the Collector or other principal Officer of the Customs at the Loading Port, in a Penalty of Double the Value of the Goods, with Condition, that the said Goods shall not be landed in any Part of *Europe* except *Great-Britain*; which Bonds shall be discharged in the Manner hereafter mentioned; that is to say, For such of the said Goods as shall be entered for, or landed in *Great-Britain* the Condition of the Bonds shall be, to bring a Certificate in discharge thereof within Eighteen Months from the Date of the Bond; and within Six Months for such of the said Goods as shall be entered for, or landed in any of the *British* Colonies or Plantations in *America*; which respective Certificates shall be under the Hands and Seals of the Collector or other Principal Officer of the Customs resident at the Port or Place where such Goods shall be landed, testifying the Landing thereof; and for such of the said Goods as shall be entered for, or landed at any other Place in *America*, *Africa*, or *Asia*, to bring the like Certificate within Twelve Months, under the Common Seal of the Chief Magistrate, or under the Hands and Seals of Two known *British* Merchants residing there; or such Bond or Bonds shall be discharged, in either of the said Cases, by Proof upon Oath made by credible Persons, that the said Goods were taken by Enemies, or perished in the Seas.

And for the better preventing Frauds in the Importation or Exportation of Goods that are liable to the Payment of Duties, or are prohibited, in the *British* Colonies or Plantations in *America*, it is further enacted by the Authority aforesaid, that from and after the Twenty ninth Day of *September*, One Thousand seven Hundred and sixty four, no Goods, Wares, or Merchandizes, of any Kind whatsoever, shall be shipped or laden on Board any Ship or Vessel in any of the *British* Colonies or Plantations in *America*, to be carried from thence to any other *British* Colony or Plantation, without a Sufferance or Warrant first had and obtained from the Collector or other proper Officer of the Customs at the Port or Place where such Goods shall be intended to be put on Board; and the Master of every such Ship or Vessel shall, before the same be removed or carried out from the Port or Place where he takes in his Lading, take out a Cocket or Cockets expressing the Quantity and Quality of the Goods, and Marks of the Package, so laden, with the Merchants Names by whom shipped and to whom consigned; and if they are Goods that are liable to the Payment of any Duty, either upon the Importation into, or upon the Exportation from the said Colonies or Plantations, the said Cocket or Cockets shall likewise distinctly specify that the Duties have been paid for the same, referring to the Times or Dates of Entry and Payment of such Duties, and by whom they were paid; which Cocket or Cockets shall be produced by the Master of such Ship or Vessel, to the Collector or other Principal Officer of the Customs at the Port or Place where such Ship or Vessel shall arrive in any of the *British* Colonies or Plantations in *America*, before any Part of the Goods are unladen or put on Shore: And if any Goods or Merchandizes shall be shipped as aforesaid without such Sufferance, or the Vessel shall depart and proceed on her Voyage without such Cocket or Cockets, or the Goods shall be landed or put on Shore before such Cocket or Cockets are produced at the Port or Place of Discharge, or if the Goods do not agree in all Respects therewith, the Goods, in any or either of those Cases, shall be forfeited and lost; and any Officer of His Majesty's Customs

is hereby impowered to stop any such Ship or Vessel, bound as aforesaid, which shall be discovered within Two Leagues of the Shore of any of the said *British* Colonies or Plantations in *America*, and to seize and take from thence all the Goods which shall be found on Board such Ship or Vessel for which no such Cocket or Cockets shall be produced to him.

And whereas *British* Vessels arriving from Foreign Parts at several of the Our Ports of this Kingdom, fully or in Part laden Abroad with Goods that are pretended to be destined to some Foreign Plantation, do frequently take on Board some small Parcels of Goods in this Kingdom which are entered outwards for some *British* Colony or Plantation, and a Cocket and Clearance thereupon granted for such Goods, under Cover of which the whole Cargoes of such Vessels are clandestinely landed in the *British American* Dominions, contrary to several Acts of Parliament now in Force, to the great Prejudice of the Trade and Revenue of this Kingdom; for Remedy whereof, be it further enacted by the Authority aforesaid, That from and after the First Day of *May*, One Thousand seven Hundred and sixty-four, no Ship or Vessel shall, upon any Pretence whatsoever, be cleared outwards from any Port of this Kingdom, for any Land, Island, Plantation, Colony, Territory, or Place, to His Majesty belonging, or which shall hereafter belong unto or be in the Possession or under the Dominion of His Majesty, His Heirs, or Successors, in *America*, unless the whole and entire Cargo of such Ship or Vessel shall be *bona fide*, and without Fraud, laden and shipped in this Kingdom; and any Officer of his Majesty's Customs is hereby impowered to stop any *British* Ship or Vessel arriving from any Part of *Europe*, which shall be discovered within Two Leagues of the Shore of any of the said *British* Colonies or Plantations in *America*, and to seize, and take from thence, as forfeited, any Goods (except as herein after mentioned) for which the Master or other Person taking the Charge of such Ship or Vessel shall not produce a Cocket or Clearance from the Collector or proper Officer of His Majesty's Customs certifying that the said Goods were laden on Board of the said Ship or Vessel in some Port of *Great-Britain*.

Provided always, That this Act shall not extend, nor be construed to extend, to forfeit, for want of such Cocket or Clearance, any Salt laden in *Europe* for the Fisheries in *New-England*, *Newfoundland*, *Pennsylvania*, *New-York*, and *Nova-Scotia*, or any other Place to which Salt is or shall be allowed by Law to be carried; Wines laden in the *Madeiras*, of the Growth thereof; and Wines of the Growth of *Western Islands*, or *Azores*, and laden there; nor any Horses, Victuals, or Linen Cloth, of and from *Ireland*, which may be laden on board such Ships or Vessels.

And it is hereby further enacted, That if any Person or Persons shall counterfeit, raise, alter, or falsify, any Affidavit, Certificate, Sufferance, Cocket, or Clearance, required or directed by this Act, or shall knowingly or willingly make use of any Affidavit, Certificate, Sufferance, Cocket, or Clearance, so counterfeited, raised, altered, or falsified, such Person or Persons shall, for every such Offence, forfeit the Sum of *Five Hundred Pounds*; and such Affidavit, Certificate, Sufferance, Cocket, or Clearance, shall be invalid and of no Effect.

And whereas by an Act of Parliament, made in the Ninth Year of the Reign of his late Majesty King *George* the Second, intituled, *An Act for indemnifying Persons who have been guilty of Offences against the Laws made for securing the Revenue of Customs and Excise; and for enforcing those Laws for the future*, and by other Acts of Parliament since made, which are now in Force, in order to prevent the clandestine Landing of Goods in this Kingdom from Vessels which hover upon the Coasts thereof, several Goods and Vessels, in those Laws particularly mentioned and described, are declared to be forfeited, if such Vessels are found at Anchor, or hovering within

Foreign Vessels found at Anchor, or hovering on the Coasts of any of the *British* *American* Dominions; and not departing, unless distressed, within 48 Hours after Notice, are liable to be forfeited, together with the Goods.

Provided always, That nothing herein contained shall extend, or be construed to extend, to any Ship or Vessel belonging to the Subjects of the *French* King, which shall be found fishing, and not carrying on any illicit Trade, on that Part of the Island of *Newfoundland*, which stretches from the Place called *Cape Bonavista* to the Northern Point of the said Island, and from thence running down to the Western Side, reaches as far as the Place called *Point Riche*.

Except *French* Fishing Vessels off *Newfoundland*.

And, in order to prevent any illicit Trade or Commerce between his Majesty's Subjects in *America*, and the Subjects of the Crown of *France* in the Islands of *Saint Pierre* and *Miquelon*, it is hereby further enacted by the Authority aforesaid, That from and after the Twenty-ninth Day of *September*, One thousand seven hundred and sixty four, if any *British* Ship or Vessel shall be found standing into, or coming out from, either of those Islands, or hovering or at Anchor within Two Leagues of the Coasts thereof, or shall be discovered to have taken any Goods or Merchandizes on Board at either of them, or to have been there for that Purpose; such Ship or Vessel, and all the Goods so taken on Board there, shall be forfeited and lost, and shall and may be seized and prosecuted by any Officer of His Majesty's Customs; and the Master or other Person having the Charge of such Ship or Vessel, and every Person concerned in taking any such Goods on Board, shall forfeit Treble the Value thereof.

An Act in Addition to an Act made and passed in the Eleventh Year of the Reign of King WILLIAM the Third, intituled, An Act for suppressing and punishing of Rogues, Vagabonds and Common Beggars, and other lewd, idle and disorderly Persons, and for setting the Poor to work.

Preamble,

WHEREAS the Execution of an Act made and passed in the Eleventh Year of the Reign of King WILLIAM the Third, intituled, "An Act for the suppressing and punishing of Rogues, Vagabonds, Common Beggars, and other lewd, idle and disorderly Persons; and also for setting the Poor to work," is oftentimes rendered very difficult, by Reason of the Distance of the Place where such Persons are found, and taken up from the House of Correction to which they are directed by said Act to be sent in Order for Punishment, by Means whereof such Persons often escape without any Punishment, and thereby many such disorderly Persons are encouraged to come from distant Parts into this Province, whereby his Majesty's good and industrious Subjects here are frequently burthened and imposed on by such vagrant, idle and disorderly Persons;

For the more effectual preventing whereof for the future,

Be it enacted by the Lieutenant-Governor, Council, and House of Representatives, That henceforward it shall be in the Power of the Court of General Sessions of the Peace, in any County within this Province, and of one or more Justices of the Peace out of Court, at his Discretion, either to send and commit to the House of Correction, all such Persons as said Court or Justice might send or commit thereto by the Provision of said Act; or otherwise punish them by setting in the Stocks, not exceeding three Hours, or by Whipping not exceeding ten Stripes; any Law, Usage or Custom to the contrary notwithstanding.

An Act in further addition to an Act intituled, "An Act for making of Lands and Tenements liable to the Payment of Debts."

WHEREAS in and by an Act intituled, "An Act for making of Lands and Tenements liable to the payment of Debts," it is provided that where the Goods and Chattels belonging to the Estate of any Person deceased shall not be sufficient to answer the just Debts which the deceased owed, or Legacies given, upon representation thereof, and making the same to appear unto the Superior Court of Judicature, holden for or within the County where such deceased Person last dwelt, the said Court are impowered to License and Authorize the Executor or Administrator on such Estate, to make Sale of all or any Part of the Houses and Lands of the deceased, so far as shall be necessary to satisfy the just Debts which the deceased owed at the Time of his death and Legacies bequeathed in and by the last Will and Testament of the deceased: And as it has been found by Experience that the Authority to license the Sale of Real Estates given to the said Court by the said Acts, having been thereby limited and restrained to that particular County where such deceased Person last dwelt, has been found much to retard the Settlement of such Estates, and greatly to delay the Payment of the Debts due therefrom, and to occasion many expensive Law suits:

Preamble.

Therefore for the preventing such Inconveniences for the future, and for the furtherance of the original Intent of the said Act:

Be it enacted by the Lieutenant-Governor, Council, and House of Representatives, That in all Cases where the said Superior Court by the said Act, are impowered to licence and authorize the Sale of any Real Estate, the said Court henceforward, and hereby are fully empowered to give and grant such Licence and Authority in any Term or Sitting of the said Court in any County within this Province, upon Application made to the said Court for the same; whether the County where such Application is made, be the same County where such deceased Person dwelt or not.

Superior Court impowered to license the Sale of Real Estates to pay Debts of Persons deceased, in any County.

And be it further enacted, That the Justices of any of the Inferior Courts of Common Pleas for any of the Counties within this Province, are also fully impowered and authorized hereafter on Application to them made, at any Session of such Court to give and grant Licence and Authority for the Sale of any Real Estate of any Person deceased, lying within the County for which such Court, shall be held, in all such Cases where the said Superior Court by the abovefaid Act has been heretofore impowered to grant such Licence. And that all Executors or Administrators who may hereafter obtain such Licence and Authority, either from the Superior Court or any Inferior Court of Common Pleas, shall in executing the same in all Things conform to the Directions of the Laws of this Province which respect the Sale of Lands under Licence of the Superior Court, mentioned in the Act in Addition whereto this Act is made.

Inferior Courts impowered to license Sale of Real Estates to pay Debts of Persons deceased, in their respective Counties.

Provided such Poor Children and Minors shall be at the time of placing and binding them Apprentices in other respects, in such Circumstances as that if they belonged to such Town or District where they shall be found, they would be subject and liable by virtue of any Act or Law of this Province heretofore made, and yet in force, to be placed and bound Apprentices by such Overseers of the Poor.

An Act for incorporating the Proprietors of Boston Pier, otherwise called the Long-Wharf in the Town of Boston.

WHEREAS the Proprietors of Boston Pier, otherwise called the Long-Wharf in the Town of Boston, have by their Petition, preferred to the Great and General Court in their present Session, set forth, That in the Year 1715, the said Wharf was by Deed under the Hands and Seals of the then Proprietors, divided into Twenty-four Shares, in which Deed it was, among other Things, agreed to keep the said Wharf in good and sufficient Repair; and that, if any particular Proprietor should neglect or refuse to Repair their respective Parts, it should be done by the Proprietors Committee, and the Cost and Charge be deducted out of such particular Proprietor's Share of the common Wharfage; and that by said Deed they warranted to each Proprietor his Share as then allotted, "So nevertheless as always to be and continue subject to the Rules and Regulations for the Management and Improvement of the whole Wharf or Pier, and upholding the same in good Order and Repair, and in such Method and Manner as are already, or shall further be agreed upon, by the major Part of the Proprietors, and entered in their Book:" That, in Consequence of such Agreement, the said Pier or Wharf has been kept in Repair by the Income thereof ever since; but that within a few Years past it was greatly gone to decay, and in Danger of being utterly lost: Whereupon the Proprietors agreed to build a Stone Head, further out towards the Channel, in order to secure the whole Interest, which they have in a great Measure effected; the said Head still lying in common and undivided, but that the Cost and Charge of such Work will amount to much more than the Income of said Wharf will defray or reimburse in many Years to come: And that, in Consideration of the Premises, the Proprietors of the said Wharf did at a Meeting duly warned on the 29th of April 1772, at which Meeting the Proprietors of seventeen Shares and three Quarters were present, unanimously appoint a Committee to prepare and prefer a Petition to the Great and General Court, praying that they may be incorporated, in order more effectually to transact the Business of the Propriety, and empowered to subject the respective Interests of the several Proprietors, when it shall be found necessary for defraying the Charges of Additions or Repairs, which have been, or hereafter may be voted, and ordered, at any legal Meeting:

Preamble.

Be it further enacted, That there shall be no more than twenty-four Votes allowed in the said Propriety, agreeable to the Number of Shares into which the said Wharf was originally divided, notwithstanding any after Divisions of the same : And that the Proprietors of at least two Third Parts of the whole Interest shall be always present, either in Person, or by Proxy, to constitute any Meeting for the transacting of Business (the whole Number being previously warned, in such Manner as they may agree,) and that the Votes of those present shall be estimated or reckoned, according to their respective Shares or Interests.

Two Thirds of the whole Interest to be always present at the Meeting.

Provided nevertheless, That if the Proprietors of two Third Parts of the Interest shall not appear at any Meeting duly notified, another Meeting shall be notified for the same Purpose or Purposes, with Intimation that, if there shall not then be a full Meeting, the Proprietors, who may be present, will proceed upon the Business of the Meeting : And the Votes and Doings of the major Part of those present shall be effectual to all Intents and Purposes, as if the Proprietors of two third Parts of the Interest had been present.

Proprietors Interest to be sold when the Income is not sufficient to pay the Expence.

And be it further enacted, That when the Income of the said Wharf shall be insufficient to defray the Expences of any Work or Repairs, then and not otherwise, the Proprietors may subject the Interest itself in said Wharf to be sold for that Purpose : And every Proprietor who shall refuse or neglect to pay such Sum or Sums of Money, as have been, or shall from Time to Time hereafter be duly granted and voted to be raised and levied upon his Right or Share in said Wharf, for the space of Six Months, after such Grant, and his Proportion thereof shall have been published in two of the *Boston* News-Papers, as aforementioned ; then the Committee of the said Proprietors, or the major Part of them, their Clerk, or Agent, may, and hereby are fully empowered

Be it enacted, That each Cart or Sled employed by any Wharfinger or common Carter belonging to the Town of Boston, be so marked and numbered by the Sealer of Wood on some proper Part of such Cart or Sled, as that it may thereby be known and seen what Quantity of Wood such Cart or Sled will contain and carry, and the Marks and Number of each Cart or Sled, shall be registred by the Town-Clerk of said Town : And no Wharfinger or Carter aforesaid shall presume to carry any Wood unless for his own Fire in any Cart or Sled that shall not have been so marked, numbered and registred, and that shall not have at the Time of such carrying the Marks and Number remaining visible thereon.

An Act for incorporating the Plantation called *Narraganset Number One*, in the County of *York*, into a Town by the Name of *Buxton*.

WHEREAS it hath been represented to this Court, that the Plantation called *Narraganset Number One*, lying on the East Side of *Saco River* in the County of *York*, is competently filled with Inhabitants, who labour under great Difficulties and Disadvantages by Means of their not being Incorporated into a Town:

Preamble.

Be it therefore enacted by the Governor, Council, and House of Representatives, That the said *Narraganset Number One*, bounded Southeasterly at the Heads of *Biddeford* and *Scarborough*, Southwesterly by *Saco River*, Northwesterly by *Pearson-Town* so called, and North-easterly by *Gorham*, be and hereby is Incorporated into a Town by the Name of *Buxton*, and that the Inhabitants thereof be and hereby are invested with all the Powers, Privileges and Immunities which the Inhabitants of other Towns in this Province by Law enjoy.

An Act for confirming the Titles and quieting the Possessions of the Proprietors of the Town of Townshend.

Preamble.

WHEREAS the Great and General Court or Assembly of this Province did on the fourth Day of December 1719, Grant a new Township at a Place called Turkey-Hills, then called North-Town, now Townshend, which at that Time was a Frontier Town, of six Miles square, and said Court did on the seventh Day of December, 1719, appoint and fully empower William Taylor, Samuel Thaxter, Francis Fullam, Esqrs. Capt. John Sheple and Mr. Benjamin Whittemore, a Committee to allot and grant out the Lands in said new Town, which Committee did afterwards agreeable to the Order of said Court allot and grant out said new Township, and make Return of their Proceedings into the Secretary's Office, as appears by the Return of the Committee under their own Hands on the Proprietors Book: But the Plan of each Lot with the then Possessors and Proprietors Name that had the Land confirmed to him, is not to be now found in the Secretary's Office, nor elsewhere, but is supposed to be burnt among the Files when the late Court-House in Boston was consumed by Fire, by which Means the Property of some Hundreds of the good People of this Province is rendered precarious, as the same Lands have been brought to out of a State of Nature, and been improved between forty and fifty Years, and have passed by Sales through a great Number of Hands, so that without the Interposition of this Court the present Possessors and their Posterity and others are in great Danger of the greatest Difficulties and Distresses relative to their Property in said Town: For preventing of which,

Committee and Proprietors Doings herein confirmed and made valid.

Be it enacted by the Governor, Council, and House of Representatives, That said Committees Proceedings allotting out and granting said Lands in said North-Town with the Records and Transfers of Lots in said Town which were delivered up to said Proprietors by Order of the General Court in October the 16, 1728, be, and are hereby confirmed, with the said Proprietors Proceedings thereon ever since, and are hereby made valid in the Law to all Intents and Purposes whatsoever.

IN WITNESS WHEREOF, the said Governor, Council, and House of Representatives, have caused this Act to be signed by their respective Hands and Seals, and the Seal of the Province to be hereunto affixed, this 15th Day of December, 1772.

Preamble.

WHEREAS it frequently happens that Persons against whom final Judgments of Court are recovered in the neighbouring Governments remove with their Effects into this Province without having paid or satisfied such Judgment; and upon Actions of Debt upon such Judgments brought in the Executive Courts in this Province, the Record of such Judgments cannot be removed into the said Courts in this Province, and it has been made a doubt whether by Law such Judgment can be admitted as sufficient evidence of such Judgments, whereby honest Creditors are often defrauded of their just Demands by negligent and evil minded Debtors:

For the prevention whereof:

Judgment recovered in any of the Neighbouring Colonies to be prosecuted in this Province.

Be it enacted by the Governor, Council and House of Representatives, That where any Person or Persons heretofore have recovered or hereafter shall recover a Judgment or Judgments in any Court in any or either his Majesty's neighbouring Colonies in *America*, and the Person or Persons against whom such Judgment or Judgments has been or shall be recovered has removed or shall hereafter remove into or reside within this Province, or where such Person or Persons against whom such Judgment or Judgments have been or may be recovered in the Colonies aforesaid, have heretofore acquired or hereafter shall acquire any Real or Personal Estate within this Province, that then and in every such Case it shall and may be Lawful for such Creditor or Creditors who have so recovered or shall hereafter recover a Judgment or Judgments as aforesaid to bring forward, support and maintain an Action or Actions of Debt upon such Judgment or Judgments so recovered, or that shall be recovered in the neighbouring Colonies as aforesaid in any Executive Court within this Province proper to try the same, in such Way and Manner as he or they might have done if such Judgment or Judgments had been originally recovered in the Executive Court in this Province where said Action of Debt shall be brought.

Preamble.

It is therefore hereby further enacted, That when it shall happen that any Person or Persons against whom a Judgment has been or shall be had and recovered before any of his Majesty's Justices of the Peace within this Province and the Person or Persons against whom such Judgment has been or shall be recovered as aforesaid and does and shall dwell and reside in any other County in this Province, then and in every such Case it shall and may be Lawful for the Justice before whom such Judgment was or shall be recovered as aforesaid; to direct any Execution or Executions issuing upon such Judgments to the proper Officer of such County where such Person or Persons against whom such Judgment has been or shall be recovered as aforesaid does or shall Dwell or Reside; and such Officer to whom such Execution or Executions shall be directed as aforesaid shall be and hereby are fully authorized impowered and directed to execute and return such Writs of Execution accordingly. An Act in addition to one Act or Law of this Province made and passed in the Thirteenth Year of his present Majesty's Reign, Intituled, "An Act to make Provision for the assessing the Monies upon the Lands of the Proprietors in the Township of *Ashfield* in the County of *Hampshire*, which are due from the said Proprietors, to defrey the Charges hereafter mentioned, and to provide a Method for the collecting and levying of the same.

WHEREAS by the Preamble of the Act, intituled "An Act to make Provision for the assessing the Monies upon the Lands of the Proprietors in the Township of *Ashfield* in the County of *Hampshire*, which are due from the said Proprietors to defrey the Charges hereafter mentioned, and to provide a Method for the collecting and levying of the same," it is evident that it was the Intention and Design of the Makers of the said Act to make Provision for the defreying the Charges and Expences necessarily incurred by several Persons employed by the Proprietors or Owners of Lands in the said *Ashfield*, in attending upon and applying to the General Court for Relief from the Perplexities and Difficulties in which the said Proprietors had been involved by divers Means and from divers Causes, mentioned and expressed in the said Act, but it appears upon a careful Inspection of the enacting Clauses of the said Act that the said Provision was not made, to the great Grievance of the Persons so employed by the said Proprietors :

Preamble.

AND WHEREAS it hath been lately discovered that at the Times when the said Proprietors held their Meetings, at which they did chuse and appoint the said Persons to attend and apply to the General Court for the Relief and Help aforesaid, they the said Proprietors had not by Law any Right or Power to call and hold any Meetings for such or any other Purpose whatsoever, which was not then known by the said Proprietors, but they supposed that they had good and lawful Authority to call and hold Meetings for that Purpose : And whereas the said Persons employed as aforesaid to apply to the General Court, who have spent much Time and Money in travelling to and attending on several Sessions of the General Court to sollicit and procure the Relief aforesaid, are unable to bear the Cost and Expence thereof without the Assistance and Contribution of their Fellow Proprietors who have shared with them in the Benefit of the Relief granted to the said Proprietors by the General Court :

Preamble.

Be it enacted by the Governor, Council, and House of Representatives, That *Jedediah Foster*, Esq; *William Williams*, Esq; and *Mr. Thomas Denny*, who by the said Act were appointed and empowered to enquire and determine what Sums of Money were due from and to diverse Persons and on diverse Considerations mentioned in the said Act, and to assess the same upon the Lands in the said *Ashfield*, which have been laid out and brought to Severalty, are hereby fully Authorized and Empowered also to enquire and determine what is justly due from the said Proprietors to the said Persons employed by the said Proprietors as aforesaid, and who did in Fact attend upon and apply to the General Court for the Relief aforesaid, for their Service and Expence therein, and also what *Mr. Obadiab Dickinson* of *Hatfield* shall reasonably deserve to have of the said Proprietors for his Trouble and Expence in making Application to this Court and attending on the same for the Purpose of procuring this Act, and to assess all such Sums of Money as they the said *Jedediah Foster*, *William Williams*, and *Thomas Denny*, or any Two of them, on such Enquiry shall judge and determine to be due to the Persons employed and empowered by the said Proprietors as aforesaid, and to the said *Obadiab*, for all and every the Services aforesaid upon all the Lands in the said *Ashfield*, which have been laid out and brought to Severalty (excepting the public Rights, and the Lands in the said *Ashfield* which were owned by the People in the said

But the Case in Fact at the Time of the making and passing the said Act was and still is such, That the said Proprietors had not and still have not any Treasurer or any other Officer excepting a Collector appointed by the said Committee under and by Virtue of the said Act: and there then was not and still is not any Act or Law of this Province impowering the said Proprietors to call or hold any Meeting for the Choice of any Officer or Officers or for the transacting any Business whatsoever by major Vote, so that unless further Provision should be made for the said Proprietors by this Court the said Act already made and designed for their Relief will be wholly abortive and ineffectual.

WHEREAS the Northwesterly Part of the Township of *Rutland* in the County of *Worcester*, at the Session of the General Court begun and held on the 28th Day of March 1753, was incorporated into a District by the Name of *Rutland District*, and invested with all the Powers and Privileges that Towns in this Province do or may enjoy, that of sending a Representative to the General Assembly only excepted. And whereas the said District, which is of the Contents of six Miles square, is now competently filled with Inhabitants, who have made it appear to this Court that it is very inconvenient for them to join with the Town of *Rutland*, and the Districts of *Cakham* and *Hubbardston* in the choice of Representatives (as by Law they are now obliged) by reason of their great Distance from the Place of Election, they living many of them sixteen Miles therefrom.

An Act in addition to an Act intuled, "An Act for the incorporating the West Part of the Town of *Stockbridge* into a District by the Name of *West Stockbridge*," made and passed in the present Year of His Majesty's Reign.

Preamble.

WHEREAS in and by the said Act the Lines and Limits of the said District of *West Stockbridge* are described as followeth, that is to say, beginning at the Northwest Corner of the said Town, meaning the Town of *Stockbridge*, and thence running Southerly upon the West Line of said Town to the Southwest Corner of the same, thence running Easterly in the South Line of said Town one Mile and an half, thence running Northerly in a Line parallel with the West Line of said Town to the North Line of the same, and from thence in the same North Line to the said Northwest Corner first mentioned; by which it appears that the said District of *West Stockbridge* is but one Mile and an half in width, which is to the great Damage of the Inhabitants of said District and to others who ought at that time to have been incorporated with them, and it being now made Evident to this Court that it was the intent of the General Court at the time of making and passing the Act beforementioned, that the said District should have been two Miles and an half in width: Wherefore,

And that all the Inhabitants now Dwelling or who may hereafter Dwell within the Limits and Lines last described, shall be intitled to all the Privileges and subjected to all the Duties that the Inhabitants of said District in and by the Act aforesaid are intitled or subjected to.

An Act of Parliament

Passed in the Fourteenth Year of the Reign of His Majesty King GEORGE the Third. 1774:

An Act for the better regulating the Government of the Province of the *Massachusset's Bay*, in *New-England*.

WHEREAS by Letters Patent under the Great Seal of *England*, made in the Third Year of the Reign of Their late Majesties King *William* and Queen *Mary*, for uniting, erecting, and incorporating, the several Colonies, Territories, and Tracts of Land therein mentioned, into one real Province, by the Name of *Their Majesties Province of the Massachusset's Bay*, in *New-England*; whereby it was, amongst other Things, ordained and established, That the Governor of the said Province should, from thenceforth, be appointed and commissioned by Their Majesties, Their Heirs and Successors: It was, however, granted and ordained, That, from the Expiration of the Term for and during which the Eight and twenty Persons named in the said Letters Patent were appointed to be the first Counsellors or Assistants to the Governor of the said Province for the Time being, the foresaid Number of Eight and twenty Counsellors or Assistants should yearly, Once in every Year, for ever thereafter, be, by the General Court or Assembly, newly chosen: And whereas the said Method of electing such Counsellors or Assistants, to be vested with the several Powers, Authorities, and Privileges, therein mentioned, although conformable to the Practice theretofore used in such of the Colonies thereby united, in which the Appointment of the respective Governors had been vested in the General Courts or Assemblies of the said Colonies, hath, by repeated Experience, been found to be extremely ill adapted to the Plan of Government established in the Province of the *Massachusset's Bay*, by the said Letters Patent herein-before mentioned, and hath been so far from contributing to the Attainment of

Preamble relating Letters Patent, of 3 Gul. & Maria.

the good Ends and Purposes thereby intended, and to the promoting of the internal Welfare, Peace, and good Government, of the said Province; or to the Maintenance of the just Subordination to, and Conformity with, the Laws of *Great Britain*; that the Manner of exercising the Powers, Authorities, and Privileges aforesaid, by the Persons so annually elected; hath for some Time past, been such as had the most manifest Tendency to obstruct; and, in great Measure, defeat; the Execution of the Laws; to weaken the Attachment of His Majesty's well-disposed Subjects in the said Province to His Majesty's Government; and to encourage the ill-disposed among them to proceed even to Acts of direct Resistance to, and Defiance of, His Majesty's Authority: And it hath accordingly happened, that an open Resistance to the Execution of the Laws hath actually taken Place in the Town of *Boston*, and the Neighbourhood thereof, within the said Province: And whereas it is, under these Circumstances, become absolutely necessary, in order to the Preservation of the Peace and good Order of the said Province; the Protection of His Majesty's well-disposed Subjects therein resident, the Continuance of the mutual Benefits arising from the Commerce and Correspondence between this Kingdom and the said Province; and the maintaining of the just Dependence of the said Province upon the Crown and Parliament of *Great-Britain*; that the said Method of annually electing the Counsellors or Assistants of the said Province should no longer be suffered to continue, but that the Appointment of the said Counsellors or Assistants should henceforth be put upon the like Footing as is established in such other of His Majesty's Colonies or Plantations in *America*, the Governors whereof are appointed by His Majesty's Commission, under the Great Seal of *Great-Britain*: Be it therefore enacted by the King's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled; and by the Authority of the same, That from and after the First Day of *August*; One thousand seven hundred and seventy-four; so much of the Charter, granted by Their Majesties King *William* and Queen *Mary* to the Inhabitants of the said Province of the *Massachusset's Bay*, in *New-England*, and all and every Clause, Matter, and Thing, therein contained, which relates to the Time and Manner of electing the Assistants or Counsellors for the said Province, be revoked, and is hereby revoked and made void and of none Effect; and that the Offices of all Counsellors and Assistants, elected and appointed in pursuance thereof, shall from thenceforth cease and determine: And that, from and after the said First Day of *August*, One thousand seven hundred and seventy-four, the Council, or Court of Assistants of the said Province for the Time being, shall be composed of such of the Inhabitants or Proprietors of Lands within the same as shall be thereunto nominated and appointed by His Majesty, His Heirs and Successors; from Time to Time, by Warrant under His or Their Signet or Sign Manual, and with the Advice of the Privy Council, agreeable to the Practice now used in respect to the Appointment of Counsellors in such of His Majesty's other Colonies in *America*, the Governors whereof are appointed by Commission under the Great Seal of *Great-Britain*: Provided, that the Number of the said Assistants or Counsellors shall not, at any One Time, exceed Thirty-six, nor be less than Twelve.

After Aug. 1,
1774, the said
Letters Patent
to be void.

tively, for and during the Pleasure of His Majesty, His Heirs or Successors; and shall have and enjoy all the Powers, Privileges, and Immunities, at present held, exercised, and enjoyed, by the Assistants or Counsellors of the said Province, constituted and elected, from Time to Time, under the said Charter, (except as herein-after excepted;) and shall also, upon their Admission into the said Council; and before they enter upon the Execution of their Offices respectively, take the Oaths, and make, repeat; and subscribe, the Declarations required, as well by the said Charter as by any Law or Laws of the said Province now in Force, to be taken by the Assistants or Counsellors who have been so elected and constituted as aforesaid.

Powers of the
said Counsellors.

And be it further enacted by the Authority aforesaid, That from and after the First Day of *July*, One thousand seven hundred and seventy-four, it shall and may be lawful for His Majesty's Governor for the Time being of the said Province, or, in his Absence, for the Lieutenant-Governor, to nominate and appoint, under the Seal of the Province, from Time to Time, and also to remove, without the Consent of the Council, all Judges of the inferior Courts of Common Pleas, Commissioners of *Oyer and Terminer*, the Attorney General, Provofts, Marshals, Justices of the Peace, and other Officers to the Council or Courts of Justice belonging; and that all Judges of the inferior Courts of Common Pleas, Commissioners of *Oyer and Terminer*, the Attorney General, Provofts, Marshals, Justices, and other Officers so appointed by the Governor; or, in his Absence, by the Lieutenant-governor alone, shall and may have, hold, and exercise their said Offices, Powers, and Authorities, as fully and completely, to all Intents and Purposes, as any Judges of the inferior Courts of Common Pleas, Commissioners of *Oyer and Terminer*, Attorney General, Provofts, Marshals, or other Officers, have or might have done heretofore under the said Letters Patent, in the Third Year of the Reign of their late Majesties King *William* and Queen *Mary*; any Law, Statute, or Usage, to the contrary notwithstanding.

The Governor
to appoint and
remove Judges
Commissioners
of *Oyer and
Terminers*, &c.

Provided always, and be it enacted, That nothing herein contained shall extend, or be construed to extend, to annul or make void the Commission granted before the said First Day of *July*, One thousand seven hundred and seventy-four, to any Judges of the inferior Courts of Common Pleas, Commissioners of *Oyer and Terminer*, the Attorney General, Provofts, Marshals, Justices of the Peace, or other Officers; but that they may hold and exercise the same, as if this Act had never been made, until the same shall be determined by Death, Removal by the Governor, or other Avoidance, as the Case may happen.

Nothing here-
in contained
to annul the
Commission
granted before
July, 1774.

And be it further enacted by the Authority aforesaid, That, from and after the said First Day of *July*, One thousand seven hundred and seventy-four; it shall and may be lawful for His Majesty's Governor, or, in his Absence, for the Lieutenant-governor for the Time being of the said Province, from Time to Time, to nominate and appoint the Sheriffs without the Consent of the Council, and to remove such Sheriffs with such Consent, and not otherwise.

And be it further enacted by the Authority aforesaid, That, upon every Vacancy of the Offices of Chief Justice and Judges of the Superior Court of the said Province, from and after the said First Day of *July*, One thousand seven hundred and seventy-four, the Governor for the Time being, or, in his Absence, the Lieutenant-governor, without the Consent of the Council, shall have full Power and Authority to nomi-

rate and appoint the Persons to succeed to the said Offices, who shall hold their Commissions during the Pleasure of His Majesty, His Heirs and Successors; and that neither the Chief Justice and Judges appointed before the said First Day of *July*, One thousand seven hundred and seventy-four, nor those who shall hereafter be appointed pursuant to this Act, shall be removed, unless by the Order of His Majesty, His Heirs or Successors, under His or their Sign Manual.

No Meeting
to be called
without the
Consent of the
Governor.

And whereas, by several Acts of the General Court, which have been from Time to Time enacted and passed within the said Province, the Freeholders and Inhabitants of the several Townships, Districts, and Precincts, qualified, as is therein expressed, are authorized to assemble together annually, or occasionally, upon Notice given, in such Manner as the said Acts direct, for the Choice of Select Men, Constables, and other Officers, and for the making and agreeing upon such necessary Rules, Orders, and Bye-laws, for the directing, managing, and ordering, the prudential affairs of such Townships, Districts, and Precincts, and for other Purposes: And whereas a great Abuse has been made of the Power of calling such Meetings, and the Inhabitants have, contrary to the Design of their Institution, been misled to treat upon Matters of the most general Concern, and to pass many dangerous and unwarrantable Resolves: for Remedy whereof, be it enacted, That from and after the said first Day of *August*, One thousand seven hundred and seventy-four, no Meeting shall be called by the Select Men, or at the request of any Number of Freeholders of any Township, District, or Precinct, without the Leave of the Governor, or, in his Absence, of the Lieutenant-governor, in Writing, expressing the special Business of the said Meeting, first had and obtained, except the annual-Meeting in the Months of *March* or *May*, for the Choice of Select Men, Constables, and other Officers, or except for the Choice of Persons to fill up the Offices aforesaid, on the Death or Removal of any of the Persons first elected to such Offices, and also, except any Meeting for the Election of a Representative or Representatives in the General Court; and that no other Matter shall be treated of at such Meetings, except the Election of the aforesaid Officers or Representatives, nor at any other Meeting, except the Business expressed in the Leave given by the Governor, or, in his Absence, by the Lieutenant-governor.

Jurors to be
summoned by
the Sheriffs
only.

And whereas the Method at present used in the Province of *Massachusetts's Bay* in *America*, of electing Persons to serve on Grand Juries, and other Juries by the Freeholders and Inhabitants of the several Towns, affords Occasion for many evil Practices, and tends to pervert the free and impartial Administration of Justice: for Remedy whereof, be it further enacted by the Authority aforesaid, That, from and after the respective Times appointed for the holding of the General Sessions of the Peace in the several Counties within the said Province, next after the Month of *September*, One thousand seven hundred and seventy-four, the Jurors to serve at the Superior Courts of Judicature, Courts of Assize, General Gaol Delivery, General Sessions of the Peace, and inferior Court of Common Pleas, in the several Counties within the said Province, shall not be elected, nominated, or appointed, by the Freeholders and Inhabitants of the several Towns within the said respective Counties, nor summoned or returned by the Constables of the said Towns; but that, from thenceforth, the Jurors to serve at the Superior Courts of Judicature Courts of Assize, General Gaol Delivery, General Sessions of the Peace, and inferior Court of Common

Pleas, within the said Province, shall be summoned and returned by the Sheriffs of the respective Counties within the said Province; and all Writs of *Venire Facias*, or other Process or Warrants to be issued for the Return of Jurors to serve at the said Courts, shall be directed to the Sheriffs of the said Counties respectively, any Law Custom, or Usage, to the Contrary notwithstanding.

Provided always, and be it further enacted by the Authority aforesaid, That wherever the Sheriff of any County shall happen to be a Party, or interested or related to any Party or Person interested in any Prosecution or Suit depending in any of the said Courts; that then, in such Case, the Writ of *Venire Facias*, or other Process or Warrant for the Summoning and Return of a Jury, for the Trial of such Prosecution or Suit, shall be directed to, and executed by, the Coroner of such County; and in case such Coroner shall be also a Party, or interested in, or related to, any Party or Person interested in such Prosecution or Suit, then the *Venire Facias*, or other Process or Warrant, for the Summoning and Return of a Jury for the Trial of such Prosecution or Suit shall be directed to, and executed by, a proper and indifferent Person, to be appointed for that Purpose by the Court wherein such Prosecution or Suit shall be depending.

When a Sheriff shall be a Party, Writs for Trial to be executed by the Coroner.

And that all Sheriffs may be the better informed of Persons qualified to serve on Juries at the Superior Courts of Judicature, Courts of Assize, General Gaol Delivery, General Sessions of the Peace, and inferior Court of Common Pleas, within the said Province, be it further enacted by the Authority aforesaid, That the Constables of the respective Towns, within the several Counties of the said Province, shall at the General Sessions of the Peace to be holden for each County, next after the Month of *September* in every Year, upon the First Day of the said Sessions, return and deliver to the Justices of the Peace, in open Court, a true List, in Writing, of the Names and Places of Abode of all Persons within the respective Towns for which they serve, or the Districts thereof, qualified to serve upon Juries, with their Titles and Additions, between the Age of One and twenty Years and the Age of Seventy Years which said Justices, or any Two of them, at the said Sessions in the respective Counties, shall cause to be delivered a Duplicate of the aforesaid Lists, by the Clerk of the Peace of every County, to the Sheriffs, or their Deputies, within Ten Days after such Sessions; and cause each of the said Lists to be fairly entered into a Book, by the Clerk of the Peace, to be by him provided, and kept for that purpose amongst the Records of the said Court; and no Sheriff shall impanel or return any Person or Persons to serve upon any Grand Jury, or Petit Jury, whatsoever, in any of the said Courts that shall not be named or mentioned in such List: And, to prevent a Failure of Justice, through the Neglect of Constables to make such Returns of Persons qualified to serve on Juries, as in and by this Act is directed, the Clerks of the Peace of the said several Counties are hereby required and commanded, Twenty Days at least next before the Month of *September*, yearly, and every Year, to issue forth precepts or Warrants, under their respective Hands and Seals, to the respective Constables of the several Towns within the said respective Counties, requiring them, and every of them, to make such Return of Persons qualified to serve upon Juries as hereby respectively directed; and every Constable failing at any Time to make and deliver such Return to the Justices in open Court, as aforesaid, shall forfeit,

and incur the Penalty of five Pounds Sterling to His Majesty, and His Successors; to be recovered by Bill, Plaint, or Information, to be prosecuted in any of the Courts aforesaid; and in order that the Constables may be the better enabled to make complete Lists of all Persons qualified to serve on Juries, the Constables of the several Towns shall have free Liberty, at all seasonable Times, upon Request by them made to any Officer or Officers who shall have in his or their Custody any Book or Account of Rates or Taxes on the Freeholders or Inhabitants within such respective Towns, to inspect the same, and take from thence the Names of such Persons qualified to serve on Juries, dwelling within the respective Towns for which such Lists are to be given in and returned pursuant to this Act; and shall, in the Month of *September* yearly, and every Year, upon Two or more *Sundays*, fix upon the Door of the Church, Chapel, and every other publick Place of religious Worship within their respective Precincts, a true and exact List of all such Persons intended to be returned to the said General Sessions of the Peace, as qualified to serve on Juries, pursuant to the Directions of this Act; and leave at the same Time a Duplicate of such List with the Town Clerk of the said Place, to be perused by the Freeholders and Inhabitants thereof, to the End that Notice may be given of Persons duly qualified who are omitted, or of Persons inserted by Mistake who ought to be omitted out of such Lists; and it shall and may be lawful to and for the Justices, at the General Sessions of the Peace to which the said Lists shall be so returned, upon due Proof made before them of any Person or Persons duly qualified to serve on Juries being omitted in such Lists, or of any Person or Persons being inserted therein who ought to have been omitted, to order his or their Name or Names to be inserted or struck out, as the Case may require: And in case any Constable shall wilfully omit, out of such List, any Person or Persons, whose Name or Names ought to be inserted, or shall wilfully insert any Person or Persons who ought to be omitted, every Constable so offending, shall, for every Person so omitted or inserted in such List, contrary to the true Intent and Meaning of this Act, be fined by the said Justices, in the said General Sessions of the Peace, in the Sum of Forty Shillings Sterling.

And be it further enacted by the Authority aforesaid, That every Summons of any Person, to serve upon any of the Juries at the said Courts, or any of them, shall be made by the Sheriff, or other Person, Ten Days at the least before the holding of every such Court; and in case any Jurors, so to be summoned, be absent from the usual Place of his Habitation at the Time of such Summons, Notice of such Summons shall be given, by leaving a Note, in Writing, under the Hand of such Sheriff, or Person, containing the Contents thereof, at the Dwelling House of such Juror, with some Person in habiting in the same.
